THE PRESIDENT'S MESSAGE

It seems appropriate at this time to review our progress and look forward to things to come.

Many people, interested in history and family have felt the need for association with others having similar interests. Mrs. Bessie Russell was a member of many two-member "Genealogical associations". With this background she suggested a larger organization and arranged for a first meeting. The enthusiastic group that met on June 2, 1966, elected officers and thus the Tennessee Valley Genealogical Society was born.

We have had three meetings at which Genealogical research methods were discussed. The Program Chairman hopes to invite visiting experts to address this society.

This first issue of "VALLEY LEAVES" marks the beginning of an important service to our membership and to non-members, as well, with the love of family. The cosmopolitan origins of our membership lends a breadth of interest not usual to a local organization.

Each of us has joined this Society to serve his own selfish interest but with the firm knowledge that cooperation with others having similar interests will benefit the whole organization. The editor of this publication will need your wholehearted cooperation. This is your bulletin and its value will depend to a large extent on the contributions made by the various members of the Society.

As President of your Society I appreciate the cooperative assistance of the Officers and Board which have been invaluable to me. With this group of officers and Society members we should be able to contribute much to the Tennessee Valley genealogical research, but it must be remembered that we are all working toward the same goal.

Sincerely,

(Mrs. W. F. Sparkman)
President

The initial issue of "VALLEY LEAVES" is new in more than one way. It is new to those of you having first access to Genealogical materials from the Tennessee Valley, and it is a new experience for those of us who compiled and published it. We sincerely hope that any initial weaknesses in this bulletin will diminish as our experience accumulates and as the material for publication broadens in scope.

The objectives of the Society are clearly defined in our Articles of Incorporation and By-Laws. Our intent in fulfilling these objectives is to bring to you Genealogical material from this area that you would otherwise not have access to.

We hope this issue of "VALLEY LEAVES" is the beginning of a new friendship between the Tennessee Valley Genealogical Society and fellow genealogists throughout the country.

For The Publications Comm.

Jerry J. Webb

MAPLE HILL CEMETERY
HUNTSVILLE, ALABAMA

The oldest records to be found at Maple Hill Cemetery are dated from January 1867 to the present time. The ones dating from early 1800 were destroyed by fire several years ago.

There is a map at the office in the Cemetery that was drawn from a survey of 1873, laid out by Mr. Mayhew. This map shows the old part of the Cemetery.

There are a great many people buried in the old part of the Cemetery that no one can tell who they are unless they have a marker at their graves. The old maps went to pieces and the mark X takes the place of names on the map.

There were a number of Spanish American Soldiers buried there during the year 1898. After the war was over, some of their people had their bodies removed, what was left was removed to the National Cemetery at Chickamauga, Tennessee. This was done in 1914.

A map at the City Hall is in excellent condition, showing names of people who have lots in the Cemetery.

The response to "VALLEY LEAVES" Volume One, Number One, was very gratifying. We have received a number of letters complimenting our efforts and encouraging more of the same. We still have much to learn about compiling and publishing a Genealogical bulletin, and we hope our subscribers and readers will bear with us as we proceed along the learning curve.

The first issue of "VALLEY LEAVES" was mailed to over fifty Genealogical Societies throughout the Country to encourage an exchange of bulletins. The response to this venture has been rewarding; we have received an affirmative reply from fifteen Societies. Many new Genealogical Bulletins are now in place in the Local History Room of the Huntsville Public Library, and visitors are already profiting from information in the publications.

We are especially thankful for people like Mildred S. Watkins, who writes a weekly Genealogical column in "The Shreveport (Louisiana) Journal". Mrs. Watkins gave "VALLEY LEAVES" a nice publicizing in her November 8, 1966, column, and we were promptly rewarded with several new membership applications. You may receive fifty-two issues of "Ancestor Hunting" (Mrs. Watkins' column) for \$3.00 by writing: "Ancestor Hunting", The Shreveport Journal, P.O. Box 1110, Shreveport, La., 71102.

We are also thankful for our many new members, and will continue in our efforts to publish limited-circulation Genealogical material from the Tennessee Valley for their use.

For The Publications Committee,

Jerry J. Webb

THE PRESIDENTS MESSAGE

Volume One, Number One of "VALLEY LEAVES" has been well received by local members as well as many throughout the Country according to our report from the Membership Chairman. Our Society has given Mr. Jerry Webb a standing ovation for his initial undertaking.

The all day workshop in November was well attended indicating a keen interest by members and the need for more of this type gathering- -not only for the purpose of passing along valuable and informative methods of research, but also as a means of becoming better acquainted with our members. Another such Workshop will be forthcoming in the Spring. Several members through this media have found a missing link which they otherwise might not have found- -this indicates the Workshop was a success.

"VALLEY LEAVES" is your bulletin and it's success depends largely on your contributions and assistance to the Publications Committee. Your interest and encouragement give strenght to the continued benefits derived from this Publication by you and others of similar interests.

The Tennessee Valley Genealogical Society has grown to Fifty-one Charter Members and a total of seventy-one members local and out of state.

As President of the Society, I am gratified at the strong showing we have made during the Society's first six months and believe this to be a very good beginning. The interest and enthusiasm displayed by members of the Society bodes well for the future. Let's make this next year even more successful, striving toward our same goal of working together to the benefit of the Society.

Sincerely,

Margaret F. Sparkman

 Surveyor General's Letter Rec'd. Vol. 65. p. 499

EDITORS NOTE: Mrs. Kathleen Paul Jones of New Market, Alabama, and a noted Alabama Genealogist believes that the preceding land records are from an old ledger that was once located in Nashville, Tennessee. Nashville was the original Land Office for Madison County, Mississippi Territory. Almost all Madison County land was purchased - - no land was granted for military service until the 1850 Bounty Land Act was passed. The ledger (examined by Mrs. Jones around 1925) contained much information about buyers in addition to what is printed herein, but this important old document can not now be located.

T H A N K S !

The editor wishes to extend his thanks to folks like Mr. James O. Vassar and Mr. Spencer A. Waters. Mr. Vassar (Route 1, Box 83, Decatur, Alabama, 35601) submitted a fine collection of Morgan County Cemetery Records for publication. These records were copied by Mr. Waters (512 Coffey St., Moulton, Alabama) and typed by Mr. Vassar. Mr. Waters has also submitted some other miscellaneous court records from Morgan, Limestone, and Lawrence Counties. We are very grateful for this information and we encourage others to submit material for publication.

PRESIDENTS MESSAGE

Our Society has now completed its first year and I am happy to report that we have a total of 107 members with a beginning of 29 at our organizational meeting last June. This certainly indicated that there was and still is a need for genealogical research media among our members. The enthusiasm of the members and the cooperation of our officers and board for this past year makes ours a worthwhile contribution.

The Spring Workshop was held April 22nd. This type of genealogical aid was beneficial not only to those who may be beginners in their research but of interest to all searching. Our program was well planned and we are especially grateful to Mr. Milo Howard, Director, Alabama State Department of Archives, Montgomery, Alabama. Members contributing to the informative program included: Mrs. E. C. Wooton, Mrs. D. H. Shenk, Mr. Ezell Terry, and Mrs. W. F. Sparkman. Those who attended found the Workshop both profitable and interesting.

Again, our Society is most appreciative for the outstanding contribution Mr. Jerry Webb has played in making our Society a success in the publication of the Quarterly. However, without the support of all the members, he cannot continue to give us such interesting publications. May I urge you to turn in any materials which you may have that he could use in this effort.

I am proud to have been given the opportunity of serving as your first president and I appreciate your splendid cooperation. The success of the Tennessee Valley Genealogical Society and its work is made possible by the continuing support of all its facets and it is my hope that we will have even a better year during the term of our new officers. We must strive even more fervently to build this Society into the best.

Sincerely,

Margaret F. Sparkman

President

QUERIES FOR PUBLICATION

During 1966-1967 the family interests of members returning their forms were published in "VALLEY LEAVES". Some are still to be published (and will be!). In 1967-1968 we would like for each member to submit one genealogical query for publication. The only requirement is that the submission around fifty words maximum. Our circulation is constantly increasing so everyone please submit a query and let's all hope for plenty of helpful responses. Send to Jerry J. Webb, 7903 Charlotte Drive, Huntsville, Alabama, 35802.

LAST WILL AND TESTAMENT OF
WILLIAM E. COLLIER OF LIMESTONE COUNTY

Submitted by Mr. Spencer A. Waters

The last Will and Testament of William E. Collier of Limestone County, Alabama. In the first place when I depart this life after my funeral expences and all just debts are paid. It is my wish that all the ballance of my property shall be kept together until my daughter Amy R. Collier shall be twenty one years of age or shall be married, and out of the proceeds of the said property I wish her to be well educated and supported in the meantime until she becomes of age or is married. It is also my will that my Father and Mother in law Mr. Robert Stewart and wife shall if they wish it reside on my farm and be supported out of the proceeds during their lives with authority to them, should they desire it or should it be found necessary or advisable, to erect suitable additional buildings for the comfortable accommodation of the family under the direction of my Executor hereafter named. It is also my wish that my three Step Children, Ellen F., John R., and Lawrence S. Slaughter shall be kept supported and educated out of the proceeds of my estate until their marriage or mature age as above directed. When my daughter becomes of age or is married, she is to have my farm in Limestone County on which I now reside with all improvements and appurtenances and one half of all my personal estate, money on hand and claims of every kind due or to become due for money or personal estate. The other half of my personal estate as just above stated I wish and direct be equally divided amongst my three Step Children above named, as they may become of age or Ellen may marry with the approbation of her guardian; but in the event that either any or all of my said Step Children should die before they become of age or the marriage of Ellen as aforesaid then the amount herein devised to them or either of them as may happen is to be divided as followeth, towit, one half of each share to my daughter and one fourth to the children of Dr. Wm. T. Young and the other fourth to the children of Charles E. Collier. Should my daughter die during her minority and before marriage as before provided, then the portion both real and personal estate hereby left her is to be divided as follows; One third to the children of Dr. Wm. T. Young, one third to the children of C. E. Collier, and the other third to Mr. Robert Stewart and present wife during their lives and after their deaths the residue unused to the children of C. E. Collier. It is also my wish that my Slaves should be well treated, comfortably clothed and fed at all times and not to be worked hard or unreasonably, but to be attended to well in sickness and old age. It is also my request that the remains of my two deceased wives and the children of Dr. Young and C. E. Collier shall at my decease be removed to my present farm and interred with me in a burying ground to be laid off and decently enclosed with plain marble slabs to designate each grave. And finally I do hereby appoint William T. Young, Charles E. Collier and William H. Blackwell the executors of this my last will and in addition to such commision as he may be entitled to for his services and trouble in attending to the business of my estate, I give to William H.

Last Will and Testament of William E. Collier (continued)

Blackwell five hundred dollars to be paid out of the proceeds of my said estate. In testimony whereof I have this day being of sound mind and memory, signed sealed and delivered this instrument as my last will, July the twenty eighth eighteen hundred and thirty three.
