Editor's Leaf

MARCH 1982

BESSIE KING RUSSELL, TVGS charter member, introduced many of us to Huntsville history and to the history of our families. The Bessie K. Russell Branch Library was named in her honor. Mrs. Russell, teacher and librarian, died December 10, 1981 at the age of 86 in Sacramento, California, at the home of her son. She was buried in Maple Hill Cemetery in Huntsville. Bless you, Miss Bessie, for what you have meant to all of us.

MILO B. HOWARD, JR., Director of the Alabama Department of Archives and History, and a native of Montgomery, died November 3, 1981. Mr. Howard was the speaker at the first TVGS workshop shortly after he became Director in January 1967. We all mourn the tragedy of his death at 48.

SEMINAR IN GENEALOGY, Saturday, March 20, 1982, will begin at 8 A.M. at the Huntsville Hilton Inn. Jo White Linn (Mrs. Stahle, Jr.) of Salisbury, NC, will be our speaker. This noted genealogist, author and lecturer will speak on North Carolina and Problem Solving in North Carolina Research. Fee is \$12.50 before March 13, 1982 postmark; \$15.00 after. Lynn Harris (Mrs. Tommy) is chairman of the seminar with other local members assisting her.

MICROFILM FOR THE HUNTSVILLE HERITAGE ROOM becomes more important to us as Federal lending ceases. TVGS is contributing the 1900 U.S. Census Soundex for Alabama to the Heritage Room and encourages individual contributions whenever possible.

CONSTITUTION HALL PARK. Grady Kennedy, TVGS representative to the Alabama Historical Commission, reminds us that Constitution Hall Park in Huntsville will open in late Spring of this year. This historic complex features reconstruction of the building at the site of the first State Constitutional Convention in 1819. The Director/Curator of the Park, Daniel J. Hoisington, is interested in locating descendants of the signers of Alabama's first Constitution. Sounds like old times, doesn't it? I was editor when we were searching for the same folks for Alabama's 150th Anniversary Celebration. A list of the signers can be found on page 120 of Volume 3, Number 4, June 1969, *Valley Leaves*. If you can be of help now, contact Constitution Hall Park, P.O. Box 1819, Huntsville, AL 35807.

ANOTHER CLASS IN GENEALOGY FOR BEGINNERS, sponsored by the Huntsville-Madison County Public Library and TVGS is underway. Lecturers are Roy Cochran, Margaret Cowart, Annewhite Fuller, Margaret Henson, Dot Johnson, Helen McKnight, Bill Page, Rane Pruitt and Ezell Terry. Lecturers and additional counselors, Vonda Dihm and Catherine Gilliam, are assisting a full class of budding genealogists. And there is still a waiting line!

REMINDER:

PLEASE WRITE TVGS AT POST OFFICE BOX 1 5 6 8.

DECATUR COUNTY

The exact location of the Decatur/Jackson County line remains elusive but it was in trying to locate it that negative photostats of the township plats of the Decatur County area were ordered. The public surveys of this land were conducted in 1822 and 1823 but annotations as late as 1888 are included. Located and secured by Catherine Gilliam, this information was transcribed by Dorothy S. Johnson and Margaret M. Cowart. This series began in Valley Leaves Volume 16, Number 1, September 1981.

LANGSTON CEMETERY

This large cemetery of almost four hundred graves is located in the SE/4 of the SE/4 of Section 2 Township 7 South, Range 5 East at Langston, Alabama. The cemetery was inventoried by Nancy Cabaniss Parker in 1979 and by Ann Esslinger Cochran and Dorothy Scott Johnson in 1980. This is a compilation of the two inventories. Part I of two parts.

LEGEND: xxxxxx = iron picket fence ----- = brick fence

This map indicates the approximate division of the cemetery for the purpose of recording tombstone inscriptions. Generally, we have begun our recording in the lower left hand corner of each section and moved from bottom to top in rows. Stones are not in perfect rows, many variances occur. Many graves are not marked by inscribed stones.

1907 CONFEDERATE CENSUS: LIMESTONE, MORGAN & MADISON COUNTIES, ALABAMA, by Dorothy Scott Johnson. 1981. Published by Johnson Historical Publications, 2409 Gaboury Lane, Huntsville, AL 35811. 8½ x 11", soft cover, 67 pages, including index. Price: \$8.00 plus \$1.00 for postage and handling.

Mrs. Johnson, one of North Alabama's most prominent genealogical and historical researchers, has given us another very useful publication, the transcription of the 1907 Confederate Census for Limestone, Morgan and Madison Counties. Along with names and places of residence, general information includes birth dates and places as well as information about Service records. Also, Mrs. Johnson has thoughtfully included a copy of the 1907 Act which called for the enumeration of the Confederate Soldiers then residing in Alabama.

TVGS POLICIES

QUERIES - Free to members; \$2.00 each to non-members. Each member is entitled to one query per year; however, additional queries may be submitted and will be used as space is available. Please limit queries to 175 words or less. No surname queries, please. At least one full name, date, and location should be included in each query. We reserve the right to edit all queries. Send queries NOW. Work begins months before the date on the cover.

CONTRIBUTIONS - TVGS does not pay for contributions but welcomes genealogical material pertaining to our Valley counties (see front cover). Occasional articles concerning neighboring counties will be used. Families living in our counties prior to 1900 are of the most interest, genealogically speaking, so please do not send recent items.

To be considered for publication an item submitted must have a reliable reference - not be based entirely on "tradition." We do not want items copied from books now in print, however, such references may be used as footnotes to clarify items.

Valley Leaves is most interested in securing for publication the following types of items (send photocopy of original if possible):

Family Bible records (include title page with date Bible was published if page still exists), diaries, church records, military records, minister's records, cemetery readings (give location of cemetery and whether or not the listing is complete), courthouse records, old newspaper items, etc.

Contributions of Bible records, wills, etc., which include a photocopy of the original record plus a typed or handwritten transcription are usually published before records sent without a photocopy. We always reserve the right to edit.

BOOKS - Books will be reviewed in Valley Leaves only upon receiving a gift copy from the author; afterwards the book is given to the Huntsville Public Library. We do not accept paid advertisement.

MAILING ADDRESS - Please inform TVGS immediately of a change of address. *We will charge \$2.00 to redeem an issue undelivered at the last address in our files.*

SUGGESTIONS - TVGS welcomes any suggestions for improving our publication. Help us keep our standards high. Please re-check for accuracy any item you send to us. Notify us of unusual sources of material we might be permitted to publish in future issues of Valley Leaves.
