SPRING SEMINAR

I hope many of you are making your plans to attend our Spring Seminar on Saturday, March 19, 1988. We will be meeting in the Huntsville Public Library and attendance will be limited to the first 100 to register. Dr. George K. Schweitzer from the University of Tennessee will be our speaker. You shouldn't miss it.

QUERIES

We do love to get your queries but sometimes we have difficulty in interpreting them for publication. Please be sure that names are distinct and spelled properly. If you don't type, consider printing them. Do not try to put too many names in the same query. Submit more than one query. We will use them as space is available and/or hold them over until the next issue.

CORRECTIONS

From Volume 22, Number 1:
page 7, Shelby Graham should have been Shelby Grishan.
page 38, Lawrence M'Cuire should have been Lawrence M'Guire.

FREE HELP

We are always happy to pass along your offer of free assistance. Joyce (Woodruff) Terrana, Rt. 4, Box 86, Burleson, TX 76028 is willing to help you in Tarrant County, Texas. Since so many of our ancestors "went to Texas" this could be a welcome opportunity. Thanks, Joyce.

ABOUT MEMBERS

Thanks to Dr. Marion S. Craig of Little Rock, Ark. for the wonderful family file on John Craig of Lawrence County. We published the Last Will and Testament of John Craig in Valley Leaves, Vol. 18, No. 2, December 1983. This article contains family data which was not available at that time. We have placed this article in the Family Files in the Heritage Room of Huntsville Public Library.

Welcome to the Board of Directors of Jeanne Hand Henry. She is an accomplished genealogist and will make an excellent addition to the Board.

Elise Stephens will continue her very interesting lecture on Gone to Texas at our next meeting in May. See you then.

MEAD'S CONFEDERATE CAVALRY

From Volume VII, Confederate Military History, "The Twenty-fifth Battalion, Alabama Cavalry, was sometimes called Mead's Battalion. Captain (later Lt. Col.) L. G. Mead commanded a company which operated very effectively in North Alabama and Tennessee in the summer and fall of 1862. He afterwards raised a number of companies, and his men were spoken of as most reckless and daring. They were formed into battalions, the Alabama companies being consolidated into the Twenty-fifth Battalion, in March 1864, under the command of Maj. (later Lt. Col.) Milus E. Johnston, and serving in the neighborhood of the Tennessee river." The Twenty-seventh Tennessee Battalion, consisting of Companies B, D, H, I, K, and L comprised the regiment.

The men of this regiment were labeled "bushwackers" by the Union forces, probably because they operated "behind" Union lines. Since the Union lines in the North Alabama area were only tentative, to say the least, this labeling was certainly spurious. In any case, this regiment killed, wounded and captured some thousands of Union soldiers and kept many more thousands too occupied to join the expeditions of General William T. Sherman.

Colonel Johnston, an ordained Methodist minister and known as "Old Baldy" to his troopers, surrendered some 200 men at the Trough Spring on Monte Sano on 11 May 1865. Colonel Mead, refused to surrender and escaped across the Tennessee River with one man.

The Huntsville Public Library recently obtained a copy of Micro Film 258, No. 38, Mead's Confederate Cavalry, from the National Archives, Washington, D. C. The Muster Role, which is copied here, probably represents the only official evidence of war service for many of these men. It is requested that anyone having any knowledge of the activities of these units, please contact the Huntsville Public Library, Attn: Rane Pruitt.

This list was compiled by Norman Shapiro and proofed by Joe Hill. We have chosen to run the Tennessee Companies too, since most are from border counties to North Alabama. Our thanks to these men for their efforts.

1907 CONFEDERATE CENSUS

The Alabama Legislature passed an act requiring that a Census of all Confederate Soldiers be taken in 1907. This was to include all veterans of the Civil War who had fought for the Confederacy and who were presently living in the State of Alabama regardless of where they had served or from what state they had served. It was the duty of the Probate Judge in each County to secure the information and to send a copy of it to the state.

Each veteran was to fill out the affidavit stating his residence, date and place of birth, and to give a brief statement as to his military service. This information was transferred from the original affidavit to ledgers in alphabetical, or semi-alphabetical, order by the soldier's last name. Some of the affidavits were returned after the ledger was made up and those will be found at the end of the ledger out of alphabetical order. The original ledgers are housed in the Probate Judge's Office of each County and the copies are now in the Alabama Dept. of Archives and History, Military Division. The material used in Valley Leaves was taken from microfilm copies of the ledgers in the Archives and was abstracted by Janet Baker Burks of Tyler, Texas. The number preceeding each name is the number of that person as it appears in the ledger. Continued from Volume 22, No. 2.

CHARACTER SKETCHES

(18th Installment)

These character sketches were written by Prof. Charles Gibson Lynch and carried in The Moulton Advertiser in 1911. The sketches were provided to T. V. G. S. by Spencer A. Waters, Moulton, Ala., now deceased, who collected, typed, and edited them for their genealogical value. Past editors of "Valley Leaves" have attempted to locate the 1911 editions of The Moulton Advertiser which were supposedly in the Alabama State Archives in Montgomery. The Archives has been unable to locate the issues in question. The series began in "Valley Leaves" in Volume 12, No. 4, June 1978 and appeared last in Volume 22, No. 2, December 1987.

THE WEAR FAMILY (continued)

Gilbert Wear's daughter married Theophilus Jones, who was a successful businessman. This good woman died at the birth of her son, Dr. T. N. Jones.

Susan J. married John Aycock who died, leaving one son who died in young manhood.

Margarte M. married J. M. McGhee, who was Circuit Clerk of Lawrence Co. just after the close of the Civil War. They moved to Texas, where they raised four boys and one girl. Two of the boys and the girl are still living.

Martha J. T. married Frank Wallace; both of them are dead.

I have known the next, Robert T., long and well. He married a daughter of the late W. K. Wallace and raised a family of eight children, all of whom are still living, except one daughter who married Thomas Howell. She died two years ago. Robert Wear's second wife was Miss Mittie Shoemaker, a daughter of John Yancy Shoemaker, who lived near Moulton. This good woman helped Robert to raise his eight children. Great praise is due every mother who raises her own children well, but God blesses all such women who have done such noble part by their stepchildren.

Mary L. Wear married a Mr. Waggoner, who lived in Mississippi, and they went to Texas. They had three children, two girls and one boy. The oldest girl and parents are dead. The other two are somewhere in Texas.

Elizabeth W. died at sixteen, and an unnamed infant died when its Mother died.

Gilbert Wear's second wife was Miss Mary A. Wilson, to whom he married August 25, 1855. To them were born fourteen children, four died in infancy; three died after they were grown.

One of the girls married G. A. Nicks, and died some twenty years ago.

Miss Bennett died not long ago.

William C. also died about twenty years ago. He was a most excellent young man. He went to school to me in 1878, and I found him to be a gentlemen.

T. H. and Lowe Wear live at Rice, Texas.

Mrs. W. Biddle lives at Haleyville.

Gilbert L. and Elbert Wear live at Mt. Hope.

Mrs. Gilbert M. Wear lives now with her daughter, Mrs. G. R. Smith, who with her kind husband, are making the last days of this good woman pleasant.

JOHN MURPHEY CHENAULT

The subject of this sketch was born March 15, 1830, in Maury Co., Tenn. When a very small boy his father moved to Alabama, and located five miles south east of Moulton. Like all boys of that day he was given plenty of opportunities to work, and but few to go to school.

John Chenault's first wife was Mahala Duboise to whom he was married August 5, 1849.

The best chance that a poor man had in that day and time to make money, was to hire to a wealthy planter and oversee for him, so Mr. Chenault moved to the Tennessee Valley in about 1851 and overseed for about ten years.

His wife was an invalid for five years. He was unfortunate in money matters, and lost almost all he had. In 1861, he moved to the Tubbs Place, where he bought and began his life anew. His wife died in 1866. By this union, there were five children, two of whom died in infancy.

His oldest daughter, Mary Francis, married James McCarver, and after his death, she married James Whitlock. They live in New Decatur, Ala.

His oldest son, John Thomas, is in the hotel business at Haleyville.

His second daughter, Florence Caldon, married Will Hubbard, and they live near Newburg, Ala.

Mr. Chenault married for his second wife, Martha Williamson Leigh, in August 1867. They moved to the George C. Cleere place and lived for two years - then he bought and settled his old homeplace, on the County Line Road, where he lived for eighteen years. He then moved to Russellville and remained for four years. He then moved back to his old home, lived there nine years, then to Mt. Hope, Ala. where he lived with his son Sidney three years; from there to New Decatur with his son, where he lived till his death, which sad event occurred January 31, 1907, and now sleeps in a green grave at Bethel on the County Line Road, between Lawrence and Franklin counties.

By his second marriage there were several children, all of whom this writer knew well and favorably. A more studious, and brainy set of boys and girls were (not) to be found anywhere.

Calvin Sidney is the oldest of the second set. He is a man of fine education, having graduated from the Florence Normal and the Birmingham Medical College in 1897. He practiced medicine at Mr. Hope until 1906, when

he moved to New Decatur, where he enjoys a lucrative practice. He has a beautiful home out on the Danville Road, where he is living most happily. His dear old mother is still with him. His wife was Miss Ellen Osborn, and is making his home an ideal one.

Ada Ophelia is the oldest daughter of the second set. She was born July 5, 1869, and married John Will Sherrill, March 23, 1903, and they now live in New Decatur.

The second son is George Oscar, who was born June 7, 1871. He has practiced law successfully at Moulton and Russellville. He stands high in the counsels of his party and there are honors politically awaiting ahead of him. He is happily married to one of our Moulton girls, Miss Lizzie Downing, in December 1906, and they now live at Russellville.

Walter Morris, the next son living, was born April 7, 1875. He married one of my school girls; Laura Alice Britnell, and they now live in New Decatur. Walter is engaged in the Revenue Service, and never comes near, but that he comes to visit us, and we always have a hearty welcome for him.

Their next daughter, Alice Eugenna, was born August 21, 1876 and married Dr. Ashmure, a prominent physician of Eldridge, Walker County, Ala.

Their next son, Frank Leigh, was born May 11, 1878. He graduated from the Birmingham Medical College in 1904 and is a successful practitioner at New Decatur. He married Miss Maggie Jackson, a daughter of the late George W. Jackson of Mt. Hope. Frank is quiet, unostentatious, thoughtful, studious, and some day will make a mark in his profession.

The youngest is William Lowe. He was born about the time William M. Lowe was a candidate for Congress. John Chenault was such an ardent admirer of Mr. Lowe that he named his baby boy for him. Mr. Lowe was one of the finest political speakers I ever heard. I can say this for him and in admiration of him, even if I was against him. William Lowe Chenault was well educated, read law under his brother, Oscar, and is now practicing at Russellville, where he is the present postmaster.

He married a Moulton girl, Miss Delia Downing. I hear the he, too, hears a political buzzing in his bonnet, and perhaps will want and get higher things.

No man who was ever raised in Lawrence County deserves more credit than John Chenault. He was born poor, very poor. By his own industry and economy, with the great help of his wife, he raised a large family and educated them well. He moved to Russellville to send his children to me. They worked, they studied, they climbed. The girls were studious and as progressive as the boys.

What John Chenault did for his children, any other poor man might do.

JOHN WESLEY SANDLIN

Mr. Sandlin was born in Morgan County, Alabama, March 10, 1823 and died May 26, 1886.

Before he was grown he moved to Lawrence County with his parents who located near Landersville. His father was Joseph Sandlin and his mother was Miss Peninah Norwood. Joseph Sandlin died Nov. 1862 and his wife died in November 1882.

In early manhood John Wesley wooed and won the heart and hand of Miss Martha Jane Davis, who was born April 9, 1824 and died July 14, 1893. They were married July 16, 1845. They lived all their happily married life in and around Landersville.

Seven children, three sons and four daughters, were born to them. They were Permelia A, James Monroe, Peninah A., William Henry, Laura A., Robert Franklin and Mary E.

Permelia A. was born Oct. 22, 1847, married J. M. Wasson, and died in Arkansas, Feb. 12, 1901, leaving several children.

James Monroe Sandlin was born September 16, 1849 and married for his first wife Callie Ponder, Sept. 24, 1873, who was born Dec. 3, 1854 and died Aug. 10, 1887. To this union were born four happy boys; the oldest, Edgar was born Oct. 12, 1874. He

married Miss Bird Downing April 29, 1899, and they lived in Ardmore, Okla. Edgar Sandlin was a born gentleman. He was respectful to his father, devoted to his mother, and watchful over his younger brothers. The second son, Jackson, was hearty, hale and vigorous. He should make some good woman happy. Their third son was Fletch. He worked in the printing shop at Leighton and Moulton. He went West but had to come back home for the girl he left behind to take to his western home. He married Miss Mae Howell of Moulton. They are now living in Ardmore, Okla. The fourth son of James Monroe Sandlin was Wesley Valentine, who was born June 30, 1887 and died Sept. 10 in the same year.

James Monroe Sandlin was blessed in getting for his second wife, Miss Annie B. Hudson of Russellville. I knew the Hudson's and have been in their home and shared their hospitality. They are indeed good people. To this marriage six children were born; the oldest, Mack Hudson, has about arrived to manhood's estate. He is exceedingly handsome, very popular, accomodating to everyone, respected by all, and we hope for him abundant success; the second is Miss Katie Mabel, a most charming and interesting young lady; the third James Monroe, Jr., an interesting manly little fellow; the fourth is William Woodfin; the fifth is Bird Vivian; and the sixth is Benjamin Russell. These last three give pleasure, joy, sunshine and happiness to the home. Mon (James Monroe) has been our life long friend, and may he see his greatest expectations fully realized in the growth, development, and beautiful lives of his children.

The third child of John Wesley Sandlin, was Peninah A. was born Feb. 3, 1851. She married James Baulch. She died April 17, 1877 in Lawrence Co., Ala., and left four children who now live in Texas, except a married daughter, who lives in Tenn.

Morgan

ORPHANS COURT REGISTER 1
1818-1873
(Part 11)

The Morgan County Orphans Court Register 2 from 1818 to 1827 was carried in Valley Leaves in Volume 7 (Sept. 1972 through June 1973). While Register 2 dealt with estate matters, Register 1 deals with the laying out of the road system in Morgan (originally Cotaco) County, apprenticeships, tax levies, Revolutionary War Pension Claims, and other matters that could easily fall in a "miscellaneous" category. In the later years this book was used primarily to record cattle brand registrations. This book contains a fascinating accumulation of facts and it is probable that names will appear in this volume that may not appear in other Morgan County records. This series began in Volume 19, Number 3, March 1985 and is continued from Volume 22, Number 2, December 1987.
