Dear Members:

It is a distinct honor for me to have been elected to serve you as President of the Tennessee Valley Genealogical Society. As we proceed into our thirtieth year of existence, intriguing programs and a respected quarterly magazine are the hallmarks of our Society. With Pat Kyser as the Vice President, Programs Chairman, and with Elizabeth Powell Crowe as Editor of Valley Leaves, we will strive to maintain the highest level of quality in our programs, publications, and public service. The Board of Directors of the Tennessee Valley Genealogical Society is interested in the judicious consideration of innovation within our framework.

I am very pleased that our scheduled speaker for the climax of our year, the annual Spring Seminar, is Marsha Hoffman Rising. The 1995 Spring Seminar is planned for Saturday, April 1st, occurring again at the Trinity Church on Airport Road in Huntsville. Please remember this event in your plans for the upcoming year.

On behalf of the Board of Directors, I remain,

Yours respectfully,

Correction

June H. Marrison has pointed out to the editor an error in *Valley Leaves*, Volume 28, Number 2, December 1993, page 74. In the article of abstracts from the *Alabama Courier* of 1916

Athens, Alabama, 14 June 1916, Miss Elizabeth Pettey married **Mr. Robert Payne KEYES**, not Robert Payne as stated. The editor is grateful for the information.

Book Reviews

By Frances S. Powell

THE PRESS FAMILY HISTORY - The German Ancestors and American Descendants of Johann Gottlob Press. 1581-1993. Compiled by Don Press, 125 Kensington Drive, Madison, AL 35758, Phone (205) 772- 8062. Paperback, comb binding, 120 pages plus Bibliography and index. \$30.00 from the author. The author begins with a map and description of Germany and the Baden- Wurttenmberg and Oberndorf areas with pictures of both towns. He shows pictures as early as 1600 and pictures of the same town today. Mr. Press explains his numbering system in his introduction so that one can easily find your own line in the book. He follows both the paternal and maternal lines of the Press family in Germany and the children of the American progenitor, Johann Gottlob Press. There are many nice pictures that would make the book very interesting to anybody of this line. In America the areas where the Press families lived are OH, IL, WI, and MO.

TAILORS AND TATES OF THE SOUTH By Ann K. Blomquist. The book is 7" by 10", 976 pages, hardcover, Smyth-sewn, and was printed by Gateway Press of Baltimore MD The every name index of 56 pages of 3 columns. Sources and documentation are given for all information. May be ordered from the author at 427 E. Richmond St., Orlando, FL 32806 No price given.

George Taylor (1759-1843) settled in Madison Co, AL in 1812 and lived here until his death. A chapter is included about him beginning on page 68. Many of his descendants still live in Alabama. The author begins by sorting out three William Taylors in VA and bringing the line down through TN, GA, and AL. She explains her numbering system and gives a relationship chart. The book is extremely well done and would be a prize in any Taylor - Tate researcher's library as well as an excellent tool for research as no genealogy is ever "finished".

LOGAN COUNTY, KENTUCKY DEED ABSTRACTS 1792 - 1813 by Joyce Martin Murray. 2921 Daniel, Dallas, TX. Softcover. \$30.00. 147 pages plus 48 pages of 3 columns index and 2 page slave index.

Logan County, KY was created in 1792 from a part of Lincoln County and was the 13th county created in that state. Originally it covered a very large portion of Southwestern KY. Christian and Warren counties were created from the area in 1797, Muhlenberg in 1799, and Livingston and Henderson Counties were formed out of parts of the original Logan County. Other counties formed from Logan Co, KY are Allen in 1815 Simpson County, 1819, and Todd county in 1820. Most of the settlers came from the parent state of VA, but many many others came from NC, SC, MD, PA and other states and the IL, IN, LA and Miss Territories. Many RW Veterans came for the granting of VA lands in the area set apart for the VA Continental Line. This book covers deed books D,E,F, and G. of Logan Co., KY.

THE FAMILY OF SAMUEL W. WALLACE by Robert E. Wallace 1994, revised edition, 236 pages 8.5x11, illus, maps, index, papercover, \$33.00. Order from Heritage Books, Inc. and add \$3.50 per order for Shipping. #W048.

A product of an extremely hearty family (his father lived to be 87, his grandfather 87 and his great-grandfather 88), Samuel W. Wallace (1795-1886) himself lived to be 91. The genealogy traces 1673 descendants of this singular man, with information on his siblings's families and additional information on Kirby, Hodges and Davis families. The book is filled with extracts from documents that support the suppositions, and the author has avoided including any questionable data from vague or unknown sources. The area cover is the Southeast, NC, SC, TN, GA, AL and on to the West.

THE BEAN TREE by Estelee Beane Rankin 1986 pub. by Madaloni Press, a division of M.A. Publishing Syndicate, 1 South Lawrence Street, Mobile, AL 36602. 520 pps. plus 109 pps. 2 columns index. For information on purchasing the book contact John Patrick Rankin, 103 Madison Ave., Madison, AL 35758. (205)461-8142. \$50.00.

The descendants of Robert Bean and Martha Womack are recorded in this book. Robert Bean was born in Virginia, fought in the Indian Wars, was a companion of Daniel Boone, was a Tennessee Volunteer, a Hero of Kings Mountain and an intrepid Pioneer- Patriot. So says his tombstone. This family spread across Tennessee, down into Georgia, Alabama, Mississippi, Louisiana and Texas. There are many deeds, some maps and military

records. This was a prolific family and Mrs. Rankin has done a remarkable job of recording them in an interesting way. It is a good tool for researchers interested in the Beane name and their allied families.

The compiler follows nine of the eleven children of Robert Beane and Martha Womack plus the Womack lineage to Martha. They were early settlers of Tennessee, moving across the state and early down into Mississippi in the 1820s. Some of the other names are Foster, Selman and Owens.

THE CRAFT FAMILY The descendants of Ezekiel; Compiled by David J. Hawkins, P.O.Box 359, Copeville, TX 75212, 486 pps. plus a 24 page 2 column index. Pub. privately June 1993. Photocopy. Paperback comb binding.

The book is divided into three sections: The descendants list, personal histories and allied families.

Ezekiel Craft 1762-1843 was b. in Duplin County, NC and served in the Revolutionary War. He married Sally—?—, and with a group of pioneers moved to east Tennessee, settled in what became Claibourne County, TN, about 1799. He migrated to Madison County, Mississippi Territory and settled in Madison Co, AL by 1810 when he appears on tax lists with his brother Archealous. Ezekiel settled near Big Cove and bought land on Aldridge Creek too.

Ezekiel's descendants eventually moved to Texas. Allied families are Grayson, Glover, Vann, Jackson Strayhorn, and Lanier. The states covered are Georgia, KY TN AL and TX.

Included are many copies of original documents, deeds, marriage records, pictures, and military records.

HOMES OF NEW MARKET ALABAMA by The members of the homemakers club. Some Material has been researched, while some has been passed down word of mouth from generation to generation. Soft cover binding. \$10.00. May be ordered from The New Market Homemakers Club; P.O. Box 95 New Market, AL 35761.

If one has New Market Alabama ancestry this book is a must. It not only covers the early homes with pictures but the business district as well. All the previous owners and businesses have been recorded here. Isaac Criner was the first settler here in 1805 with his family, along with an uncle and a cousin.

Some of the names of the homeowners are Berry, Payne, Walker, Cockran Kilpatrick, Dale Gary, Dodson, Horton, Jones, Rodgers and many more. There is a picture of most of the homes in the book. The identity of the house printed on the picture would have been helpful. For a volunteer project and a labor of love it is a nice book.

BEFORE WE WERE A TWINKLE The Miller-McWilliams Connection by Peggy Miller Mathis and Diane Smith Zimmerman. Hardbound, 678 pages with index. Price \$45.00. Order from Diane S. Zimmerman; 15008 Deaton Dr.; Huntsville, AL 35803

The book is a collection of family group sheets and pedigree charts plus Wills, biographies, deeds and other original records and many pictures. Other surnames mentioned are Cox, Walton, Armistead, Street, Cunningham, Johnson and others.

TVGS POLICIES

MEETINGS — Regular meetings are held on the fourth Thursday of July, September, January, March, and May. The November meetings are usually held on the third Thursday, because of the Thanksgiving holiday. Meetings are held in the auditorium of the Huntsville Public Library unless announced otherwise.

QUERIES — A maximum of 175 words annually is allowed free to each member. Queries from non-members are published for \$2.00, as space allows. All queries are edited and published at the discretion of the Editor, in the order received. We reserve the right to refuse to publish any query submitted. At least one full name, date, and location should be included in each query. Submit queries early; deadline is two months prior to each publishing date.

CONTRIBUTIONS — TVGS does not pay for contributions, but we welcome genealogical material pertaining to the nine North Alabama Tennessee Valley counties. Unusual genealogical information for the neighboring counties will be considered. *Valley Leaves* focuses on the years before the turn of the century.

Typed submissions are a must; we prefer submissions be in ASCII format on an IBM-readable diskette, which can be returned to you on request.

To be considered for publication, manuscripts submitted must have a reliable reference and cannot be based entirely on family legend. We also cannot accept material copied verbatim from books still in print; such references are welcome, however, in footnotes included for clarification of the text. Fair use practice of the copyright laws must be followed.

Valley Leaves is primarily interested in publishing the following types of material:

- Family Bible records. These must include the title page, and if available, the date of publication page [usually the reverse of title page].
- Cemetery readings. These must include cemetery location, directions to find it, and whether the listing is complete, or a certain section.
- Southern Claims Commission Records • courthouse records • diaries • church records
- military records • minister's records • newspaper items, etc.

BOOKS — Books will be reviewed in *Valley Leaves* if the author donates a free copy to TVGS. Holdings of TVGS are available to the public in the Heritage Room of the Huntsville Public Library. Quarterlies will be reviewed on receipt of a full volume.

MAILING ADDRESS — Let us know your Change of Address as soon as possible; if an issue is lost in the mail due to an address change, a replacement copy costs \$2.00.

SUGGESTIONS — TVGS welcomes suggestions to improve *Valley Leaves*. Write us about availability of any unusual source material that would enhance future issues.
