

TURNER-MALONE CEMETERY (13)

LOCATION: Sec. 12-2S-2W - NE SE SE NE. Approx. 2 Mi. SE of Madison Cross Rds.

Note: This is a most unusually constructed cemetery. It appears to be in two parts. The oldest part is at the base of a small hill and actually appears to be in an area which was scooped out of the side of the hill then the bank reinforced with a stone wall of beautiful workmanship. The Turner and Harden graves are on the top of the hill immediately above the others. This beautiful old sacred ground is presently being used as a trash dump by the tenants who evidently have no respect for such things. There are other graves here but the markers are gone.
