LOCATION: Section 26-2S-1W. W/2 SE SW. At the back of the barn lot on the old Bob Wade estate on Bob Wade Lane.

Note: There are no stones in this cemetery, however, the present owner of the estate told me that when they bought the land they were told that this spot was the location of the old Wade family cemetery. There were no stones there when they bought the place and it is unknown who is buried there.
