

JONES - Wesley Samson Jones - Died June 29, 1976 Aged 63 years (Funeral marker)

JONES - Larry Wayne Jones-July 18, 1958 - July 13, 1976

NOTE: Larry Wayne Jones is the grandson of Wesley Samson Jones. I copied this section at the end of July, 1976, and met the Jones family who were visiting their son's grave. Mr. Jones, Larry Wayne's father, gave me this information. At his grandfather's funeral Larry Wayne said, "I'll see you in a couple of weeks, Grandpa." Two weeks and two days later Larry Wayne was killed in an accident. At the time I met the Jones family there was no marker at Larry Wayne's grave, however, the information was supplied by his father.
