```
Note: These graves, along with the last four on the
Cameron Methodist Church Cemetery
                                         preceeding page, were in a row and may be the
                                         same family - possibly Taylor.
