FLINT RIVER PRIMITIVE BAPTIST CHURCH CEMETERY

LOCATION: W/2 SE/4 SW/4 Section 17-3-2E. Approx. 1/4 mile north off Maysville Road on east bank of Flint River and about 1/2 mile west of Maysville. This cemetery is about 1/4 mile south of the above Chambless-Byrne Cemetery.

In this churchyard are two cedar trees surrounded by a wood rail fence that has been reinforced with wire fencing. The fence appears to enclose two graves that are covered with vinca minor. I do not know who is buried here. On the church is a sign that says "Rebuilt in 1973."
