

Moore Chapel (Holmes Cemetery).

Cemetery but older residents call it the Moore Chapel Cemetery. I could locate no Holmes graves in this cemetery. It covers approximately one acre and is literally covered with unmarked graves, graves marked with unlettered fieldstones, and six graves covered with neatly stacked stones. Five of the latter are adult graves and one is that of a child. Copied in 1970.

Moses Miller. Born August 14, 1800 – Died August 17, 1857. Note: m. Rebecca McGaha 25 Dec. 1824.

D. H. Miller – Born Aug. 8, 1849 – Died March 16, 1860. [Footstone : “D. H. M.”]

M. E. Miller – Born June 4, 1846 – Died January 22, 1856.

M. C. T. Miller. Born October 1, 1837 – Died Dec. 12, 1853

Note: The “3” in 1853 could have been a 7; stone chipped. Moses Miller was the father of the above three children. The Miller inscriptions were on four sides of a large obelisk stone.

Arthur Miller died Apr. 12, 1950 aged 70 years
