ECHOLS-KEEL CEMETERY.

Section 21-4-2E. Approximately two miles southwest of Gurley in the NE/4 of the section. This cemetery is off McMullen Drive and was copied originally by Dr. Ezell Terry and his wife, Rebecca (Echols) Terry (now both deceased.) I have not personally checked these stones. Mr. Percy B. Keel also sent me information on a number of Keels he personally knew were buried here. Both sets of inscriptions are included here.
