Greer Tombstone

A number of years ago the *Huntsville Times* ran a short article and a photograph of a tombstone. The article under the photograph stated: "This grave marker is in possession of the Madison Police Department. Major Dick Marx says there have been no reports of any stolen markers. However, anyone with any information is encouraged to call (256) 772-5674." The tombstone read:

William Greer 1850 – 1926 Asleep in Jesus.
