She could not have died in 1858 and still be on the 1860 census.

Ed. Note: The date “1800” must be questioned; however, it is possible the progenitor, George Dilworth, did live among the Indians prior to the Treaty allowing settlers to purchase Indian land. He is listed on the 1809 Squatter Census.

Location: In the center of the S/2 of the S/2 of the S/2 of Sec. 14, Township 5 South, Range 1 East, approximately two miles northwest of Owen Cross Roads.

Note: When I began copying this cemetery I kept track of the rows. As I progressed into the oldest section I found it was impossible to keep the rows separated since the stones were in a cluster. Please note the difference in spelling of Bird/Byrd families. There were countless unmarked graves in the oldest part of this graveyard. Copied November 5, 1979.

Gardiner. M. E. Gardiner, Consort of W. P. Gardiner. Aug. 8, 1837 – Jan. 19, 1869.

Nalls. Rhoda Caldonia, wife of S. E. Nalls. Born Nov. 18, 1846 – Died Nov. 15, 1896. [According to Joe Nalls, she was nee Ashburn; her widower, S. Eldridge Nalls, moved to Chattanooga, Tenn., remarried, and is buried there.]

The following letter is from the late **Joseph Bryan Nalls “Joe,”** who is buried with many of the rest of his family in the Bush Cemetery. Even though he is not buried in the Ebenezer graveyard, his dedication to its preservation and to his many kindred buried here, is heartwarming and appreciated. This letter was dated January 15, 1991.

To Whom it May Concern:

“This is to certify that my late aunt, Mrs. **Lillie Vann (nee Nalls)**, told me that she had certain knowledge that my great-grandmother, **Mrs. Middleton F. Nalls**, is buried in the Ebenezer Presbyterian Cemetery beside her brother, **Capt. Lemuel Cobb**, Co. E, 47th Alabama Infantry, C.S.A., along with her (Middleton F’s.) three daughters and one of her grandsons.

“The daughters are as follow:

1. Mrs. **Elizabeth (Lizzie) Moore**, wife of **Blackstone Moore**.
2. Mrs. **Sarah (Sadie) Ellett**, wife of **Lt. Joseph Ellett**, Co. H, 49th Ala. Infantry, C.S.A.
3. Mrs. **Alabama (Bama) Turner**, wife of **W. B. Turner**.

“The grandson is **Arthur Moore**, son of Blackstone and Sadie Moore. Their daughter (**Sada Moore**) who was very beautiful, moved to Chattanooga about 1910. She disappeared a few years later. Her last letter stated that she feared for her life and nothing was heard of her again.

“The location of the six above graves is known but are presently (1991) unmarked except for **Capt. Cobb**, who has an upright military-type marker.

“It is the intention of the family to put a low concrete perimeter around the group of six graves, with a single marker representing the five unmarked graves (i.e., it is not known in which specific grave each one is buried).

“My great-grandmother was Mary G. Cobb of Cherokee County, Alabama. She is frequently listed in the census and other records by her nickname, “Lavicia” or “Lavicy.”

“My great-grandfather, **Middleton F. Nalls**, was in 2nd Co. G, 1st Alabama Cavalry, C.S.A. which was **Major Gen. Joseph Wheeler**’s escort. Middleton F. was killed in action on May 22, 1863, near Hartsville, Tennessee [Ref: National Archives Microcopy #311, Roll #2.] His place of burial is unknown. A bronze “In Memory Of” marker has been received from the Veteran’s Administration and will be placed within the enclosure described above.

“Other members of my immediate family who are buried in this cemetery are as follow:

“My father: **Charles M. Nalls**

“Grandfather: **Thomas Richard Nalls**.

“Grandmother: **Theodosia Posey Nalls (nee Gardiner)**.

“Great-Grandmother: **Sarah Gardiner (nee Bell)**.

“Aunt: **Miss Willie Nalls.**”

BALDWIN CEMETERY

This tiny cemetery was copied and contributed by Norman and June Shapiro. It is located in a field belonging to Mr. James Powers of the Berkley community. The land owner has been very careful to work around the tiny, single grave so as not to damage or destroy it. Mr. Powers is to be commended for his caring preservation of the lonely grave.

John T. Haden was married three times:

1. **Elizabeth Lamberson** married 23 October 1833. (*Had three children by her*).

2. **Mary Ann Miller**, married 31 May 1842. (*Had six children by her*)

3. **Clamenza J. Pickens**, married 15 September 1853.

Fennell-Hallmark-McMullin & Walden Cemeteries

FENNELL, HALLMARK, McMULLIN CEMETERY

Location: This cemetery was originally in Section 4-5-1E in approximately the NW SE SE SW. It was on the section line in a hedgerow at the south edge of the Camelot subdivision in southeast Huntsville. It was moved to the Hobbs Cemetery in late spring of 1975. The Hobbs and Fennells were related by marriage [John Hobbs married James Fennel's sister, **Keziah**.] It was not realized until after the reinterment that James C. Fennell's remains were put on top of his brother-in-law, John Hobbs, in the northeast corner of the cemetery. The rest of the removals were reburied in the northwest corner of the cemetery.

James C. Fennell – James C. Fennell, Born January 18, 1780 – Died September 3, 1817

Note: This is one of three tombstones surviving from the territorial period in Madison County. At the present time [2008] the Fennell stone is in the Records Room on the third floor of the Huntsville-Madison County Public Library. It will be returned to the Hobbs Cemetery when one can be assured it will be protected from vandals.

M. J. McMULLIN – M. J. McMullin – Born Dec. the 7, 1837 – died Apr. 3, 1893.

Note: The McMullin marker was a tall fieldstone with deep, well-carved, hand lettering. It is most uncommon to find lettering this well done on rock.

There were three other graves visible, one was an unmarked "sink," and the other two were marked with fieldstones. One of the fieldstones had no visible carving and the other had "N. A." carved in it.

			Fennell grave X
"sink" (no marker) X	N. A. (fieldstone) X	fieldstone (no name) X	McMullin X

On 7 Jan 1811 **George Holmark [Sr.]** patented the SW quarter of Section 4, Twp. 5, Range 1 East for \$2 per acre [\$326.30]. On 4 May 1816 he and his wife, Sarah, sold this quarter section, with tenements [house], for \$1600 to James C. Fennel, where Hallmark "now lives." On 20 Jan 1817 Fennel patented the adjacent entire SE quarter of Sec. 4-5-1E but relinquished the east half back to the Government on 16 Aug 1821 (probably done by his heirs as he had died four years before). Hallmark family descendants state George died in Madison County and if that is true one must assume he is buried here on his old homestead. That is especially logical if he had buried some of his children here before selling his land to Fennel even though that is not reflected in the deed to Fennel. There are no Hallmark tombstones but that does not mean they are not buried here. George Sr. is listed by the DAR as a Revolutionary Patriot.

WALDEN LOST TOMBSTONE

In September of 1971 the following stone was in the Evidence Room of the Huntsville Police Station. It was found under the back stoop of Lantern Antiques, 2106 Franklin St., Huntsville, Al. There is no indication of the first or original location of this stone or how it came to be under the porch of a shop on Franklin.

BAILEY-HUGHES, LYON & STEWART CEMETERIES

Location: Section 21-4-1E. In approximate center of the SW/4.

Originally in Bailey Cove, approximately one-quarter mile east of the end of Four Mile Post Road. This small cemetery was surrounded by iris. I copied this cemetery in the 1960's and in 1997 it was moved to allow for a road over the mountain. The legal notice for removal was dated 19 November 1997. I do not know where it was relocated.

There was only one stone in this cemetery, however, there were more graves but they were not marked. A lady living nearby said a Bailey child had been buried there. There is an unmarked grave next to that of Cynthea. It is believed by family members to be the grave of Cynthea's husband, **George Hughes**.

Cynthea Huse [Hughes]
Born May 30, 1785
Died September 6, 1847.

There is no one named Huse in the 1840 or 1850 census and no probate records for anyone by that name. "Huse" is a corruption of "Hughes" according to family members.

LYON [LYNES?] CEMETERY

Location: Section 33-4-1E, NE SW SE. In Box Canyon subdivision on Box Canyon Street.

I visited this cemetery after a major tornado had ripped through and uprooted huge trees in December 1967. Many stones may have been destroyed as I could find no Lyon tombstones. Haynes and Allens also believed to be buried here. Lyons may be a Southern corruption of "Lynes."

Rest, sweet rest.

There are several members of the Latham, Buford and related families buried here. Some had
tombstones. There was a child's stone here in the shape of a cradle but no inscription. All stones (except
the Carpenter stone) are now gone.

LEMLEY CEMETERY

Location: Section 7-6-2E. N/2 NE NW NW. On section line between Sections 6 and 7.

No stones in this family cemetery. They were carried off by a past owner and destroyed.

BIG COVE CHURCH CEMETERY

Location: Section 2-6-1E. W/2 W/2 NW NW.

This is a huge cemetery and no stones were found but there are countless sinks. There is a
subdivision presently being built adjacent to it. The cemetery itself, however, has been saved by the efforts
of **Nancy VanValkenburgh**, a descendant of some of those buried here.

John Buford, Unknown, Neal, Esslinger & Lee Cemeteries

JOHN BUFORD CEMETERY

Location: Section 26-4-1E. Approximate SE NW. This cemetery is in a field of Old Big Cove Road.

The remains of the original Buford log home is nearby but falling in. There is a fallen-in brick wall partially surrounding the graveyard. A Buford descendant took me to this cemetery but there were no stones to be found. A tornado went through here and if there were any stones, they may have been damaged by the tornado. It is my understanding, however, that the stones were destroyed during the ownership of **Elijah Drake**.

John Buford is buried here along with his wife. The Madison County marriage records show that **Elizabeth Wills Buford** married Elijah Drake on 31 May 1822. Elijah was the son of **John Drake** and **Jean Neely**. Elizabeth Wills Buford was the daughter of John Buford.

UNKNOWN CEMETERY

Location: Section 26-4-1E. Approximate S/2 SE/4. In a grove of trees near intersection of Hartsdale Drive and Victoria Hill.

There were no stones and it is unknown who is buried here. There were once tomb stones but they were dumped in a ravine somewhere.

NEAL CEMETERY (Probably?)

Location: Section 35-4-1E. W/2 W/2 SW/4. On Old Big Cove Road on east side of road.

There were approximately 68 to 73 graves here but no tombstones. The late **William Drake** told me that once when he was a youngster, some people from North Carolina came to this cemetery (ca late 1930's) to locate some of their ancestors. The first owner of the property was **John Neal** and this may be his cemetery. Glovers and **Charley Grayson** also once owned it.

In this cemetery, we noticed a fairly recent, tiny sink of a baby's grave. A jar with new artificial flowers in it has been set at the head of the grave. Visited in 1970's. In 2005 this cemetery was moved in preparation for building 242 homes on this 130 acre plot called Hampton Ridge. The cemetery was moved to Valley View Memorial Gardens in Meridianville by May 21, 2005. According to the *Huntsville Times* the cemetery measured 80 by 100 feet with graves "aligned neatly in an east-west configuration." The remains were to be placed in individual "containers" and reburied in the same order in which they rested before the removal.

Archeologists determined the burials dated from 1880 to the 1920's. There were 34 adults, 13 children and 21 infants buried here.

ESSLINGER CEMETERY

Location: Section 28-4-1E. North half of section. Probably in the S/2 S/2 SE NW

Mrs. Jack Roy Cochran (Ann) wrote me the following letter regarding the **A. J. Esslinger** cemetery on 15 Sept 1968. A. J. Esslinger (brother of **William Wright Esslinger** who married **Sarah Hunt**) was the son of **Elizabeth Wright**. Mrs. Cochran says:

"**Walter Esslinger**, a descendant of A. J. Esslinger, told Jack [Cochran] that A. J. was buried on the land where he had lived off Bailey Cove Road between "the barn and the old

orchard." Mrs. Joe Hymer lives in this location now [Ed: That was in 1968. She has since died.]

Mrs. Joe Hymer lives with her son and his wife in the fourth house on the left on Blevins Gap Road. The son's name is **William Hymer**. I met Mrs. Hymer and William's wife. Mrs. Joe Hymer is in her eighties but her mind seems quite bright and clear. The house in which she lives was constructed on the site of the

John Buford, Unknown, Neal, Esslinger & Lee Cemeteries

Esslinger house after it was moved 'down the hill'. It burned down and she used one stone taken from the chimney of the burned house as a support for the left side of her porch. On the stone are the dates 1862 and 1918. I gather that 1862 was the date the original house on the hill was constructed, and 1918 was the date it was relocated on Blevin's Gap Road.

"Mrs. Hymer walked with me behind her house and to the right – back to the area

where the old graves were located. She said that there used to be an old wooden post there but she guessed it had rotted. She said all of the graves were dug up and moved away. She mentioned **Mr. Levi, Miss Mattie and Willie Cumberline**. There were more. She said they 'just dug up some dirt (spade full) and some bones and put them in a coffin to rebury them.' She thought they were moved to Maple Hill Cemetery."

LEE CEMETERY

Location: Section 27-5-1E. NW SE SW. On old Cherokee boundary line.

There were no tombstones in this graveyard and it is believed there never were any. When I visited it, it was a barn lot. This is the family graveyard of **Burwell Lee** from Marion County, Tennessee. The following persons are believed buried here and perhaps others. Burwell's wife is surely buried here but I do not know her name. All of the known people buried here were born in Tennessee. Dates are from the 1850 and 1860 census.

Burwell Lee born ca 1775 – died between 1850 and 1860.

Mrs. Lee, wife of Burwell Lee, born between 1770-1780 and probably died between 1840-1850.

Winney Lee (insane), daughter of Burwell Lee, born ca 1796 and died after 1860.

Charlotte Lee (insane), daughter of Burwell Lee, born ca 1807 and died after 1860.

John Lee (insane), son of Burwell Lee, born ca 1812 and died after 1860.

Susanna Lee, (a teacher) daughter of Burwell Lee, born ca 1814 and died after 1860.

Eady Lee (insane), daughter of Burwell Lee, born ca 1820 and died after 1860.

A son, name not known, born 1800-10, on 1840 census but not on 1850 census.

A daughter, name not known, born 1810-20, on 1840 census but not on 1850 census.

Glover Cemetery

OLD DICK GLOVER CEMETERY

Location: Section 10-5-2E. W/2 NW SE NW. Approximately 1/3 mile east of Low Gap Road in Glover's Cove in the Big Cove area in southeast Madison County.

There were many unmarked graves indicated by "sinks," in this approximately quarter-acre cemetery. In about the center of the cemetery is a very old grave covered with cut-stone blocks but no name was on the stone. In the corner of the cemetery there were four more graves covered with cut-stone but they neither had identification. These four graves were very old and the stones had been somewhat scattered, apparently from trees growing up through them or vandalism. They were apparently the oldest in the graveyard. This land once belonged to **Richard Glover** whose family cemetery this is.

Andrew Drake Cemetery

ANDREW DRAKE CEMETERY

Location: Section 8-4-1E. SE SW NE NE SW [May actually be E/2 NE SW]

Bobby L. Drake, a direct descendant of **Andrew Drake**, gave me the following statement.

"I Bobby L. Drake, on February 18, 1969 researched through TVA [topographical] maps, Mrs. **Sue Beason's** letters (dated March 19, 1947 and January 18, 1952), and the Andrew Drake Bible records and have compiled the following information:

"The grave sites are located approximately in the back of 1307 – 1309 Forbes Dr., SE, Huntsville, Alabama 35802. In part of a locust grove I found a brick that was checked by local brick manufacturers and said to be hand made and very old. It is possibly part of a rock house or border for a cemetery mentioned in the letter as the burial place for Andrew Drake's first and second wives. I have taken color pictures of the entire area. Five graves, and possibly eight, could be there; no proof of last three."

The following is an excerpt from a letter from Mrs. Sue Beason (deceased in 1954) of Gurley, Alabama to the late **Mrs. H. C. (Kathleen) Jones** dated January 18, 1952:

"... wish I could tell you just where Jabez Leftwich's monument could be found. He was the father of my grandfather. Andrew Drake's first wife lived with him all his life and was buried in grandfather's private plot in the corner of his garden with daughter, grandfather's second wife, several children, and grandfather. I was there with Mother when I was thirteen years old, and I think there were monuments to all the graves. But a few years after that the place changed hands, all the monuments were moved away, and the place put in cotton. We never did know where they went to. Grandfather had a rock house built over the grave of his first wife, just large enough for two. At the time he built it he intended to be put in it too but when his second wife died he had her put in it ..."

The following information was reconstructed and contributed by **Catherine (Kelly) Gilliam** (Mrs. Richard): Buried in the Andrew Drake Graveyard:

Jabez Leftwich (Sr.)

Born ca 1766
Died after 1850

Andrew Drake

Born July 26, 1785, Botetourt Co., Va
Died Nov. 12, 1858, Madison Co., Al

Second wife of Andrew Drake

Died Oct. 28, 1845, Madison Co., Al

Pamela Ann Leftwich

First wife of Andrew Drake and
daughter of Jabez Leftwich.
Born Oct. 5, 1787, Bedford Co., Va
Married first in Va. to George Dixon, Jr.
(Dixon died in Virginia)
She died Oct. 19, 1829, Madison Co., Al

Note: Andrew Drake's third wife was
Frances Campbell who is buried in
Tennessee.

The cemetery was destroyed around 1960. Besides the above persons, it is believed that four of Andrew Drake's children and their spouses are also buried here. Andrew had 12 children by three wives. He left 776 acres of land and an estate valued at \$25,000 when he died in 1858. He is believed to have been Baptist.

Historical information: Andrew Drake was the eldest son of Capt. **John Drake**. He brought his slaves from Virginia and built his home in Madison County. The home had a spiral staircase two stories high which did not have a single nail in it. Before the property was subdivided, it belonged to **John Acuff** who built another home on the foundation of the original home. A nearby spring has been "blocked in" but it once had a buttermilk section and watercress grew around it.

John Drake Cemetery

JOHN DRAKE CEMETERY

Location: Section 17-4-1E. SE SW SW. This tiny family cemetery is located on the Jones Farm in what is now called "Jones Valley," formerly Drake Cove, and is skirted by Garth Road and Carl T. Jones Drive.

Captain **John Drake** was the patriarch of all Drakes in Madison County, Al. There is no record of him being here before 1811. He was born in Hopewell, Hunterdon County, New Jersey in 1748, removed to Botetourt Co., Va about 1769 and was married at that time to Jane Neely. He acquired 215 acres of land on the Catawba Creek and the Looney Fork Creek out from Fincastle, Va. He fought in the Revolutionary War as a private, in a home guard under **Lt. Col. Dabney**.

John Drake came to Madison County at an early period but all of his children were born in Botetourt Co., Va. John died in his home near the James Drake homestead [now called the Jones farm] in 1839 at age 90 years and is buried in this cemetery.

Among Madison County's first settlers were **James Drake**, his brother **William Drake**, and their brother-in-law **James Neely**. James and William Drake were sons of Capt. John Drake. In May of 1808 these three men came down the Tennessee River from Virginia and settled in what became known as Drake Cove. They built a log cabin and filed for this land Sept. 10, 1808.

Two years later, William Drake sold his interest to James and moved to the Russellville area of Franklin County where some of his descendants still live. James's homestead was built in 1828, is still standing, and is known as the **Carl T. Jones** farm home. This plantation, under the Drakes, grew to over 5,000 acres, five springs, two cemeteries, three plantations and over 100 slaves. Some of the land was owned in part by Drake descendants up to 1983.

A Baptist Church called the "Meridian Line Baptist Church" was in Drake Cove and is thought to be one of the early Baptist Churches in Alabama according to some Drake descendants.

Elijah Drake Cemetery

ELIJAH DRAKE CEMETERY

Location: Section 14-4-1E. SE SE. On west side of King Drake Road.

Elijah Drake [son of Capt. John Drake and Jean Neeley who was dau. of Henry and Jane Sherman], is buried in this cemetery under a stack of stones but there is no identification on the grave. Elijah bought and improved this property about 1814. He died without a will in 1848 at an early age, leaving 679 acres, a wife [nee Elizabeth Wills Buford whom he m. 31 May 1822,] and eleven children. The mountain was named after him as was the cemetery and spring nearby. He and his wife are buried here along with his son, Rev. **John H. Drake**. His grandsons, **Tate Drake** and **King Drake** are also buried here.

The mountain and road were formerly called King Mountain and King Road. **Elvy Lee Drake**, the grandfather of **Bobby L. Drake**, bought the property in the 1930's and the mountain and road were then renamed. He logged cedar from the mountain and had a farm on its top. Bobby L. Drake, now [2008] deceased, contributed the family history given here.

Drake Avenue in Huntsville was named after **John Robin Drake** who built the "Old Drake Home" at 605 Drake Ave. in 1857. **Lucy Drake Graham** inherited the home on Drake Ave. from her father, **Horace T. Drake**, who was the son of John Robin Drake, the builder. Mrs. Graham lived in the home until her death in 1983 at which time it as sold to the church. Until Mrs. Graham's death, an oil painting of John Robin Drake hung in the parlor of this home.

Hobbs Cemetery

HOBBS CEMETERY

Location: Section 9-5-1E. E/2 SE NW. This cemetery is located approximately one-half mile due south of the former location of the Fennell-McMullen graveyard.

The area surrounding this cemetery has been developed. It is located near Green Cove Road in southeast Huntsville. The slave graveyard was adjacent to the white cemetery on the north. There were no markers and it was paved over when the road was pushed through.

The cemetery was once enclosed by a white picket fence but during the Civil War Northern soldiers used the wood as firewood. After the war, the family enclosed it with a stone wall which, until the area was developed, was in an excellent state of preservation. This cemetery is systematically laid out in two long rows with a footpath between the two rows.

The progenitor of the Hobbs family, **John Hobbs**, once owned the entire island now called

Hobbs Island. Prior to that time it was called **Chickasaw Old Fields** and is referred to as such in early writings. John Hobbs owned and lived on the plantation where he is buried. He willed his land to his wife and at her death it was to go to their son, **William Hobbs**. The son died before 1837 and it went to another son, **Isham Hubbard Hobbs**. The children of John and **Keziah (Fennell) Hobbs** married into prominent Madison County families such as Bibb, Echols, Jordan and Sandidge. John Hobbs was one of the first settlers in this part of the county having arrived here in 1816 from Greenville Co., Va and was considered one of the wealthier of the settlers. Hobbs was a planter and horse breeder. He took great pride in his stallion "Saltram," and his mule stud, which were bred to mares from many miles away. Three years before his death, John Hobbs owned 53 slaves (in 1830) and over 1500 acres.

There were only eight markers in this graveyard, however, descendants feel there were several others buried here and there are certainly indications of that. Among those buried here without a stone is John Hobbs who is buried in the northeast corner. John Hobbs's wife, Keziah Fennell, died in 1877 in Holmes County, Mississippi and no one knows whether her body was brought back here for burial or if she is buried in Holmes County. John's grandson, **Emmett Hobbs** the son of Isom, was killed at Vicksburg during the Civil War and his remains may still be there. John's grandson, **James Milton Hobbs**, son of Isom, died in 1904 at Hot Springs, Arkansas and he may or may not be buried here.

These two graves were the only ones evident here. They were beside a house on Maysville Road. Henry Rigney's Last Will & Testament was dated 27 March 1832 and he died three days later. On 9 May 1832, Albert C. Kennedy was indicted for Rigney's murder with a change of venue to Jackson County. The governor pardoned him. The *Southern Advocate* of 7 April 1832 stated Rigney died from a stab wound inflicted by a man named Kennedy. Henry's will also mentions his wife "Liddy." and a brother John Rigney. John Rigney was indicted for assault with intent to murder Thomas Johnson 10 November 1831. The current Hinds family says Henry Rigney "was mean."

The following letter was received from June T. Shapiro [Mrs. Norman] (undated) regarding the Browns for which this cemetery is named.

“I have been corresponding with **Ercell Brown Wildsmith**. She is my mother’s first cousin on the Watson side and she was 95 on March 24, 1988. Ercell is in the Alabama Masonic Home in Montgomery, Al and Norm and I have been to see her about three times in the last year and a half. She does not have any immediate family living so I write her once a week and she still writes to me. She is so sharp [mentally] and in fair health.

“Anyway, her family gave the land for the Brown Cemetery on Oak Grove Road and I thought you would like to know a little about that family.

“Ercell’s father is Joseph B. Brown, born November 1862 and died April 15, 1941, buried in Brown Cemetery without a marker. Joseph B. Brown married first Anna Laura Watson on 10 Aug 1889. Anna Laura was born 9 Sept. 1868 and died 9 May 1901 and is buried in the Brown Cemetery without a marker. Joseph married second Rosa Lee (Carpenter) Vann in 1920 but they were divorced shortly afterwards. Rosa Lee was the widow of William W. Vann.

“Anna Laura Watson was the daughter of James Watson and Eliza Ann Locke Watson¹

“Joseph B. Brown was known as Joe Ben Brown and he was an artist – did charcoal pictures and had an art studio later in Birmingham, Al.

“Ercell gave me some of his poems and I have all her pictures and some of my ancestors’ pictures he did in charcoal.

“Joseph B. Brown was the son of John W. Brown, a pastor, and Mary Caroline Vann Brown.

“Ercell’s grandfather was John W. Brown, born in December 1833, date of death unknown but is buried in this cemetery in an unmarked grave..

“Ercell’s grandmother was Mary Caroline (Vann) Brown who was born in January 1846 but date of death is unknown. She is also buried in this cemetery in an unmarked grave.

“John W. and Mary Caroline Brown were the ones who donated the land for the cemetery. I [June T. Shapiro] know approximately where they are buried. Ercell told me she had wanted to put up a plaque to honor them but never did.

“Only one of Ercell’s brothers is buried in this cemetery: Lawence G. Brown, born in September 1890 but death date unknown. His grave is unmarked. He married Carrie Christian who is also buried here. All the rest of Ercell’s siblings are buried in Elmwood Cemetery in Birmingham.

“Joe Ben Brown moved to Birmingham, probably after the 1920’s, and Ercell lived there until she went to Montgomery which was about two years ago.

“Joe Ben Brown and Laura (Watson) Brown had the following children:

1. “Lawence” G. Brown, born in Sept. 1890, death date unknown, buried in Brown Cem. He married first Carrie Christian but the second wife’s name is unknown.
2. “Harry” G. Brown, born in January 1892, death date unknown, buried in Elmwood Cemetery in Birmingham. He married Ollie Mae Fuller.
3. Minnie “Ercell” Brown, born March 24, 1893, living in Montgomery, Al. She married Hugh Wildsmith who is buried in Elmwood Cem. also.

¹ Grandparents of June T. Shapiro

Brown Cemetery

4. Clara "Kate" Brown, born in January 1892, death date unknown, buried in Elmwood. She married first Elbert Hornbuckle and second Clarence E. Davis.
5. Millie "Irene" Brown, born August 1897, died May 17, 1967 and buried in Elmwood. . She married first Erskine Hunt and second, Frank Jericoe.

"I have a picture of Ercell's grandmother (Mary Caroline (Vann) Brown, on glass. She was the daughter of Hiram and Susan (Biggs) Vann.²

"Ercell also said that one time when she was in Huntsville she and Leland Gardiner whose wife is her first cousin, went to the Brown cemetery and put a row of bricks around the Brown graves. They are buried close to the curve near some large trees.

King-Brazelton and Worley Cemeteries

Location: Section 23-4-1E. SW SE. On hill above the Seventh Day Adventist Junior Academy (previously the Big Cove School) on Highway 432 East. This old family cemetery is located in a large grove of trees several yards up the hill southwest of the school.

Note: The maps call this the King Cemetery but I could find no King tombstones. Two Brazelton girls married Kings. **Tulletha [Brazelton]** married **James H. King** 20 Feb. 1839 and **Clamenzy T. [Brazelton]** married **William S. King** 23 Dec. 1840. There were two groups of very old above-ground stone vaults without identification which appeared to be the oldest markers in the cemetery. One group was made up of one adult grave and the graves of two children. The others, a group of five, were undoubtedly all adults. It is my supposition that these ancient graves are those of some of the Kings and of **Henry Brazelton** (who patented this land in 1811), along with his wife and some of his children. Henry is shown on the 1840 census but not the 1850 census which indicates he died between those years. *Vinca Minor* covered a great portion of the old graveyard and there were many sinks that indicates there are graves there without markers.

Pickens Cemetery

William Otey Walton

Born

Aug. 6, 1851

in Madison Co., Ala.

Died

Aug. 18, 1852

[Note: This was a small obelisk stone.]

In Memory of

Jane Pickens Haden

1833 – 1867

This is Clemenza Jane Pickens who married John T. Haden. The late William Drake took me to this cemetery and said she had three very noteworthy sons: Wade Haden, Charley Haden (an ambassador) and Hugh Haden.

Next to Jane Pickens Haden's grave were three unlettered fieldstone in the same row.

At the time of Jane Pickens Haden's death she was living at Summitt in Marshall County. She died in mid-winter during an abnormally

cold period. The Tennessee River was frozen over and she was brought back for burial in a wagon.

Her brother lived in Madison County at the time and his dog howled all night the night she died but the family did not get word of her death until many hours later.

Joseph Pickens

1794 – 1870

Salina Brazelton Pickens

1805 – 1885

Both inscriptions were on a single stone. Joseph Pickens married Salina Brazelton, daughter of Henry Brazelton, 30 Dec 1818. According to the late William Drake, Joseph Pickens was in Madison County with Andrew Jackson's army in the War of 1812. While the army was camped in Big Cove he met Salina Brazelton and later moved to Madison County and married her.

Pickens Family Information

Joseph W. Pickens was born in South Carolina 31 Aug 1794 to Andrew and Margaret (Dondle) Pickens. On 30 Dec 1818 he married Miss Salina Brazelton, daughter of Henry Brazelton and his wife Lydia Ledbetter. Lydia was the daughter of Jacob and Hannah Ledbetter and Jacob Ledbetter was the son of Joel Ledbetter who patented 159.64 acres in Sec. 26-4-1E, it being the SE/4. Joel is shown on the 1812 tax list of Madison County.

Joseph W. Pickens died 28 Jan 1868. The *Huntsville Advocate* of 12 May 1868 described him as being a "quiet, useful, good citizen." The children of Joseph W. and Salina Pickens were:

1. Andrew G., b. 5 May 1822 in Alabama. He married 1st Susan R. Wright 16 Dec 1857 and 2nd Emily C. Connally 8 March 1854. [Andrew was a physician and lived in Marshall County.]
2. Henry W. Pickens, b. 1 April 1824. Married Lucy W. Nowlin 7 Oct 1845, dau. of the late Wade H. Nowlin of Madison Co.
3. Frances Catherine Pickens n. 12 April 1826, married Leonard Fite Lamberson 12 Jan 1848.

4. Elizabeth E. Pickens, b. ca 1831, m. Preston Mills 20 Jan 1859. She died 9 Sept 1868 at the residence of her mother leaving a husband and two sons.
5. Clemenza Jane Pickens, b. ca 1832, m. John Tate Haden 15 Sept 1853.[His second wf., Mary Ann Miller whom he m. 31 May 1842, had died 3 mo. before. His first wife was Elizabeth Lamberson whom he m. 23 Oct 1833] Clemenza helped raise two children by Elizabeth Lamberson and six by Mary Ann plus at least six of her own.
6. Margaret T. Pickens, b. ca 1834, m. Robert T. Walton 1 Oct 1850
7. Joseph Wm. Israel Pickens, b. ca 1836, m. 1st Elizabeth A. Haden, dau. of John Tate Haden and Elizabeth Lamberson 23 April 1857; 2nd Callie Lamberson 19 Oct 1870; 3rd Emma Judy Dickson.
8. Lydia S. E. Pickens, b. ca 1839, m. Pat Barnard 23 Sept 1869.
9. James C. W. Pickens, b. ca 1842, m. Emily Draper 1 May 1863.
10. John M. Pickens, b. ca 1846, m. Molly Lamberson 22 Feb 1871.

The 1907 Confederate Census shows **Lewis Good James**, born Sept. 27, 1832 at Scottsboro “in Bibb County.” [Note: Scottsboro is in Jackson Co., not Bibb.] He entered service in May 1861 at Boone’s Hill, Tenn. in Co. MOORE CHAPEL CEMETERY (HOLMES CEMETERY)

Cemetery but older residents call it the Moore Chapel Cemetery. I could locate no Holmes graves in this cemetery. It covers approximately one acre and is literally covered with unmarked graves, graves marked with unlettered fieldstones, and six graves covered with neatly stacked stones. Five of the latter are adult graves and one is that of a child. Copied in 1970.

WRIGHT CEMETERY
(Collier-Spivey Cemetery)

Location: Section 33-4-2E. W/2 E/2 SW NE. Almost due north of the Chestnut Grove Church which is about ¾ mile away. The entire wooded area, in which these graves are located, is covered with unmarked graves and many graves marked only with unlettered fieldstones. This cemetery is about ¾ mile north of Cherry Tree Road off the end of Joe Cross Road.

Wright Cemetery.

The *Huntsville Democrat* of 31 March 1847 announced the death of **Robert Wright, Sr.** It stated he died March 24, 1847 aged 85 years and 17 days [*born 7 March 1762*]. He was a native of Amherst County, VA. Wright was at the siege of York and assisted in the capture of Cornwallis. DAR records show he was a Lieutenant and married Keziah Bibb. His obituary further says he emigrated to Madison County in 1818 where he lived until his death.

I have information from descendants that the late Dr. Ambrose Grayson called this cemetery the "Wright Cemetery" and he stated Robert Wright is buried here. Wright owned land near here. According to Dr. Grayson, the Chestnut Grove Church once owned the land on which this cemetery is located and may, in fact, be where the early members of this church are buried.

The article states "This cemetery is on the register due to its age and for the significance that the people who are buried there had in the community" dating back to almost 200 years.

Cobb Cemetery

Location: Section 32-4-2E. On Old 431 Highway not far from the intersection of Old 431 and Cherry Tree Road. It is in the NW/4 of Section 32 near the southeast bank of the Flint River and a few yards northwest of the old Cherokee Indian land boundary line. It is amazing that this cemetery still exists since after a hard rain, or flooding, the stream is a roaring torrent. The rest of the time it is a peaceful retreat nestled among old, towering trees.

Bryant Cobb

Born July 6, 1795

Died Aug. 21, 1881

Death records say he was born in Georgia and died of old age but the 1850 & 1860 censuses say he was born in NC. Researchers believe he was born in or near Martin Co .NC as his father, David, resided there from at least 1790-1796. He drew a pension for his service in the War of 1812. He married Polly Graceson [Grayson] with license issued 22 July 1815; no return. She is probably in the unmarked "sink" at the head of his grave.

In April of 2005, a large group of descendants of the Cobb family, and authentically dressed re-actors, dedicated a military stone at the foot of Bryant Cobb's grave.[See the Huntsville Times of Sunday, April 10, 2005.]

W. R. W. Cobb

Who was 14 years in the service of his Country, true to his Country and true to his God.

No dates on stone. He was a U. S. Senator who lived in Jackson County. He and Bryant were brothers.

W. R. W. was never defeated for congress. He and his wife lived in Bellefonte in Jackson Co. Next to W. R. W's grave was the unmarked grave of an adult and next to that was the unmarked grave of a child.

In the row at the head of these graves was a "sink" without any marker and was at the head of Bryant's grave. At the head of W. R. W.'s grave was that of Catharine A[nn] Cobb:

Catharine A[nn] Cobb

Who was full of Benevolence and Piety.

This stone was overturned and no dates were visible. The stone was too heavy to turn over by hand.

Catharine Ann was nee Catharine Allison, born in Ireland, and sister of John Allison. She was the wife of W. R. W. Cobb.

A sister of W. R. W. and Bryant Cobb, Nancy, married John Allison.

A third row. at the foot of Bryant and W. R. W. Cobb, consisted of three baby graves marked only with fieldstones at their heads and feet. No identification

Allison Cemetery

Allison Cemetery

Location: Section 3-5-2E. S/2 NW SE. This cemetery was copied 16 Aug. 1967 by the late Mr. and Mrs. Roy J. Cochran. Mrs. Cochran (Ann) was connected to this family. The family notes have been supplied by her.

Allison. John Allison
Born July 28, 1802

[Tall obelisk stone]

Allison. Nancy Allison
Wife of John Allison.
Died July 25, 1872
aged 61 yrs., 5 Mo. & 4 ds.
[tall slab stone.]

*Nancy Cobb. m. John Allison Dec. 1, 1825.
John was a farmer and his estate is listed as valued at \$6000 in 1850. In the 1860 census it is listed as personal estate worth \$15,000 and real estate valued at \$57,232. John was born in Ireland and Nancy in Alabama. They had no children.*

John Allison was the son of William (d. 1836) and Isabella Allison (d. after John). The following family information was contributed by Ann Cochran, a descendant of Martha Matilda Allison who m. James W. Fennell. Children of Wm. & Isabella:

1. **Charity Allison** b. ca 1801, d. 1873. m. 1st **James Cooper** in 1832 and 2nd **Houston H. Lea** in 1840. No issue.
2. John Allison b. 1802, d. 1866, m. Nancy Cobb. Both buried in Allison Cem. No issue..
3. **Catherine Ann Allison** b. ca 1803, d. 1862, m. 1825 W. R. W. Cobb, both buried in Cobb Cem. No issue.
4. **David Allison**, b. 1805, d. 1864, m. 1st in 1833 **Sarah T. Smith**, m. 2nd in 1850 **Jane E.**

(Drake) Tate. Buried in Old Bethel Cem. Left issue.

5. **William Allison Jr.**, b. 1808, d. 1831. No children. Never married.

6. **Mary Jane Allison**, b. ca 1812, d. after 1866; m. **Edward T. Parker 1831**. Left issue. Burial place unknown, possibly is in Marshall Co.

7. **Isabella Allison**, b. 1814, d. 1881, m. **Francis M. Fennell** 1838, bur. in Fennell Chapel in Jackson Co. Left issue.

8. **Martha Matilda Allison**, b. 1816, d. 1893, m. **James W. Fennell** 1836, bur. Fennell Cem but TVA moved to Gunterville Cem. in Marshall Co. Left issue. *[Note: This is Ann Cochran's grandparents; their dau., Catherine M. Fennell, m. A. J. Esslinger (son of W. W. Esslinger); both bur. Beason Cem.]*

Genealogical notes:

Nancy Cobb and W. R. W. Cobb were brother and sister. Francis Fennell and James W. Fennell were brothers; their father was James C. Fennell who died in 1817 and was buried in the Fennell-McMullin-Hallmark Cem. but reinterred to the Hobbs Cem.

It is possible that father and Mother, William and Isabella Allison, and Son William J., were buried in Old Bethel Cemetery. William Allison and David Allison owned land near there together; Their parents lived there as stated in some legal documents. There was a bill for "walling three graves."

Rigney Cemetery

Location: Section 11-5-2E. NE SE NW. Off Cherry Tree Road. The cemetery is under a large magnolia tree a few yards behind house which is at the end of a lane north off Cherry Tree Road. (Cemetery was canvassed 18 Oct 1972.)

A local story says that when Fleming J. Rigney "died," rigor mortis did not set in (there was no embalming in the county then). The family put nickels on his eyes and held a wake. He turned over. They kept waiting but his body never got stiff and they buried him anyway.

The *Southern Advocate* of 8 Sept 1866 stated that on 4 Sept 1866 Mr. Fleming J. Rigney married Miss **Laura E. Sullivan**, daughter of Dr. **Isaac Sullivan**, all of Madison County.

Most of this family is buried in the Rigney Cemetery in Section 6-3-2E.

Obituary – Thomas Franklin Jenkins

The Huntsville News, October 19, 1976.

Services for Thomas Franklin Jenkins, 59, of Rt. 2, New Hope, who died Sunday at his residence, will be Tuesday at 1:30 p. m. at Laughlin Funeral Home chapel, John Cunningham and Byron Laird officiating. Burial will be in the **Baker Cemetery**.

Survivors include two sons, Larry Jenkins of Little Rock, Ark., and Robert Earl (Sonny) Jenkins of New Hope; five sisters, Mrs. Ruth Moon of New Hope, Mrs. Lena Kilpatrick of New Market, Mrs. Eunice Merrell, Mrs. Elizabeth Lyon, both of Huntsville, Mrs. Naomi Johnson of Mansfield, Ohio, four brothers, P. M. Jenkins, B. M. Jenkins, both of Huntsville, James Jenkins of Hazel Hunt, Ga., John Jenkins of Horton; and three grandchildren.

George & Sarah Taylor Cemetery

Location: Probably in the NW/4 of Section 20-3-2E which is the land George owned. The Flint River runs through this quarter and tradition says George and Sarah are buried on the banks of the Flint. Valiant attempts have been made to locate the graves without success. This river is known to flood and if, in fact, they were buried on its banks all traces have probably been washed away.

Sarah (Jennings) Taylor was born in Lexington, Oglethorpe County, Georgia. Her date of birth is unknown. She died several years before George and lies in an unmarked grave, presumably next to the

unmarked grave of George, her husband. On March 6, 1818 she signed away her right of dower in the land when her husband sold it to John Brown. This establishes the fact that she was alive at that time. **George Taylor** was born ca 1762 in Richmond, Virginia and died in 1826 [1843?] in Madison Co., Ala.

On 6 Mar 1818 he and Sarah [*Called Sally in deed but signed Sarah*] Sold 82 ac. in Sec. 20 "being all of the NW/4 of Sec. 20 lying east of Flint River and including the island in said river opposite Brown's mill." This sale was to John Brown. This transaction left Taylor with the part west of the river. Then on 18 Feb 1819 he purchased the E//2 of the NE/4 of Sec. 19-3-2E which was next to the property in Section 20. This would make one believe he and Sarah were buried on the west bank of the river.

George and Sarah were married after the Revolution and they moved to Madison Co., Ala. in 1810.

Chandler Cemetery

Location: Section 15-5-2E. SE/4 SE/4. Approximately 4 miles four miles north of New Hope on Old Gurley Pike. It is in the Poplar Ridge community.

This cemetery was copied and contributed by Mr. Jack Campbell (of San Jose, California) on May 2, 1985 and updated from my survey in the late 1960's. There may have been burials here since it was copied. The first five graves on Mr. Campbell's chart apparently do not have stones. For the ease of the reader in locating any given grave, I am including the number assigned to each grave.

Inman and Phipps Cemeteries

Inman Cemetery

Location: Section 35-5-1E. Approximate center of the NW/4 and approximately one quarter mile northwest of Russell Island in the Flint River.

There appeared to be many unmarked graves in this cemetery. Mr. Malcom Harris took me to the Inman and Phipps Cemetery. He and his brother had been logging in the area when they discovered the cemeteries. The day we visited these cemeteries, January 26, 1980, the weather was rainy and it had rained for several days intermittently. The "roads" were very bad so we went as far as we could in a pickup then parked it and went the rest of the way in a tractor-like vehicle used to roll logs down the mountain.

Note: The land on which this cemetery is located is the same land that Benjamin Inman patented from the Government in 1831.

Phipps Cemetery

Location: Section 26-5-1E. Approximate E/2 E/2 SW/4 in Opossum Hollow. This is the same land that Joseph Phipps Woodruff patented (W/2 SE/4) Oct. 17, 1831 and next to the land Martha Goodall Phipps patented (SW SW) Nov. 26, 1835. It is approximately three-quarters of a mile northeast of the Inman cemetery.

Note: The locations to both of these cemeteries are approximate. In getting to them we wound around so much that it was impossible for me to be absolutely accurate in locating them on the map. There were many other graves here but none were marked.

On the base of this stone: "W. W. Edwards, H ...[?]" I could not make out the second initial. It was probably the stonecutter. This is a large, well executed, nicely dressed obelisk.

Martha Phipps was not listed in the 1830 or 1840 census but is in the 1850 census as follows:

Logan-Campbell Cemetery

Logan-Campbell Cemetery

Location: Section 33-5-1E. South half of section. Off Atkins Road and Norton Road just east of the main gate to the Norton plant.

This cemetery was copied and contributed by Albert Logan Campbell, Jr. of North Little Rock, Arkansas, in about 1987 or 1988. The notes on family are from him. Mr. Campbell found six stones in an area approximately 50 x 150 feet that was very grown up with briars, weeds, etc." They were:

*This was a small stone
(child's?) that was illegible.*

The above two stones were in a 12 feet square fenced area on the western end of the area and about 25 feet due east of the chain-link gate of the Norton plant's main entrance.

To the east of the above graves Mr. Campbell found a wrought iron fence containing possibly two plots with a black metal marker with white lettering. [Probably a funeral marker. The inscriptions were:]

Martha Dale Cenie Harren

Born Jan. 29, 1892

Died April 13, 1928

Three other markers were Mr. Campbell's family members:

In Memory of

Died May 18, 1838

"Much has he read

Much has he sought

Yet see how it has all

[Stone sits on a base marked "Morris."]

Mr. Campbell states there were several "sinks" [sunken graves] marked with flat rocks standing on end. Family records indicate several family members are buried here (apparently without markers) and they are:

Davis G. Campbell

Born 17 April 1857 – Died 7 Oct. 1905

Norman C. Campbell

Born 31 Dec. 1879 – died young, unmarried.

John W. Campbell

Born 5 Jan 1832 – died 22 April 1911

Sarah E. Moore Campbell

Born 26 Nov 1836 – died 14 Feb 1919

Mary S. Campbell Logan

Born 12 Nov 1830 – died 9 April 1907

About a mile due north (just north of the Huntsville Speedway) is the Campbell Cemetery which family records indicate was in the family garden. It is the resting place of **Thomas Gardiner Campbell**, born 1799 in Rockbridge Co., Va. and died 5 Dec. 1839. Also his youngest son, **Thomas G. Campbell** [Jr.], born 30 Jan. 1839 and died 25 May 1846.

Mr. Campbell further states there were no markers in the Campbell portion of the cemetery, only stones turned on end, inside a wooded 35 feet square in a pasture.

Knight, Chewning and Brazell Cemeteries

Knight Cemetery

Location: Section 36-3-2E. NW SE NW. Across Gurley Pike from Beason Spring and behind some trailer houses. Copied March 9, 1985. Two huge, old trees that once stood at two corners of this cemetery had been cut some time before. The two Jacks tombstones were new. There appeared to be two graves in this cemetery marked by fieldstones but they may have been only stones lying there at random. I was taken to this cemetery by Guy Haislip.

Copied 9 March 1985. This stone is behind a trailer home and is an upright marker close to a yard fence. Guy Haislip took me to this cemetery. If there were other graves in this cemetery all evidence of them is now gone.

Brazell Cemetery

Location: Found and contributed by Jeff Thompson. Mr. Thompson found this cement tombstone in the Owens Cross Roads area. It is believed to have been removed from its original location. This cement stone may have come from near the Wilson Mann property where logging was going on. It is also possible that it may have come from a subdivision in the area being developed by Richard Brown Realty.

Benjamin Franklin Whitaker

The Huntsville Times, in an article by Lane Lambert, *Times* staff writer, of Sun., March 14, 198__ [blank] has a very interesting article on marking the grave of this Confederate Civil War soldier by his great grandson.

"Nineteen-year-old Benjamin Franklin Whitaker joined the 49th Ala. Infantry Regiment at the beginning of the war. "He saw action at Shiloh, Vicksburg, Chickamauga and Chattanooga.

"When the Confederacy surrendered he returned to Madison County, married Lou Davis and lived out his life as a farmer. He died in May, 1920.

Brazelton Cemetery

Brazelton Cemetery

Section 5-5-2E. S/2 SE/4. In Berkley Community

This cemetery is isolated and difficult to get to especially in rainy weather. It was copied and contributed by Norman Shapiro and the late Roy Maynard. Mr. Maynard supplied me with two photographs showing the tombstone of Aquila C. Brazelton and another much older grave that was covered with stones and without identification. The grave stone of Aquila was difficult to read from the photograph. It is clear except for the month of birth which appeared to be "December."

This stone erected by her husband as a
token of lasting remembrance and

The Southern Advocate of 18 July 1828 announced the death of Eliza Moore stating she died leaving a bereaved husband and seven small children.

The Huntsville Democrat of May 1, 1834 reported the death of Rebecca J. Moore. It stated she died at the residence of her husband, Dr. Alfred Moore, in this county. She was the daughter of the late Dr. Peter J. Beasley of Brunswick County, Virginia. Like her mother and grandmother she died after a premature parturition of her first child. The child survived.

Dr. Moore is listed in the 1830 census as having
the following in his household:
1 male 0 – 5 years of age
1 female 0 – 5
2 males 5-10
1 females 5 – 10

By 1840, Dr. Moore's household had diminished in size:
1 male 0 – 5
1 female 5 - 10
1 male 10 - 15
2 females 20 - 30
1 male 40 - 50

A Tuscaloosa newspaper, the *Democrat Gazette* of Oct. 11, 1841, reported that while the family of Alfred Moore, of Madison Co., was returning home, a large limb from a tree fell killing a daughter, age 6 or 7, and the driver.

Cloud Cemetery

Location: Section 26-6-1E in Cloud's Cove.

Note: In all cases, if you must cross private land to get to a cemetery, it is imperative to go to the nearest house and ask for permission to cross the land. To get to the Cloud Cemetery we went to the nearby Conward "Connie" Cloud home and was granted that permission. It had rained and after going through the large field gate we discovered a huge pig wallow (occupied!) blocking our way. Back to the house! Mr. "Connie" Cloud had to walk down to the gate and shoo the pigs away so we could get through.

NOTE

I copied this cemetery many years ago. Years later I found that Mrs. Sue N. (Cloud) Hodges and Ms. A. Denise (Hodges) Woods had inventoried it on Oct. 28, 1991. I compared our work and took the liberty of adding the stones I either over-looked or which were added after my trip there. Unfortunately, I was unable to locate either of these ladies to ask permission to use their inventory but I must commend them for their excellent work and hope they forgive me for using some of it without permission. - DSJ

Jenkins Cemetery

Jenkins Cemetery

Location: Section 9-4-2E. W/2 W/2 W/2 SW/4. This cemetery is actually straddling the line between Sections 8 and 9.

The Tennessee Valley Authority's topographical map calls this the Jenkins Cemetery, as do family members, but I could find no Jenkins tombstones. There were Jenkins living in the immediate area according to the 1850 census and a land ownership of 1875 shows a Jenkins owning the land on which the cemetery is located. There are numerous unmarked graves in this cemetery.

The family information, *in italics*, is from the records of Margaret Sanford Connally.

I was told that at one time there was a Potts family plot, containing Potts family members, across the drive from the Jenkins Cemetery entrance but *it no longer exists and was apparently destroyed.*

The topographical map shows there to be a Potts cemetery three-quarters of a mile due northwest of the Jenkins. It is on land that is now a dairy and the owners told me they knew nothing of it. The map shows the cemetery would have been under the drive of the large dairy bard. It is almost certain that no stones are now in existence at that location. Ann Cochran was told by the then-owner that he thought the

graves were "old Indian graves" and cemented over them.

Esslinger-Beason-DeBow Cemeteries

Esslinger-Beason-DeBow

Location: Sec. 28-4-2E. Center of NW/4. This cemetery straddles the old Cherokee boundary line in the Collier Precinct, Vienna (now New Hope) District; on the road between Berkley and Gurley.

When I first visited this cemetery many years ago it appeared to cover a single large area with graves in groups throughout. In a more recent trip much had changed. The groupings appeared to be set off into individual family cemeteries.

Ann and Jack Cochran canvassed this cemetery many years ago and commented that "This entire hill is covered with old graves. A large portion of the graves are covered by underbrush and overgrown while some sections of the cemetery were well kept and fenced." When I canvassed the same cemetery I found it had been cleaned off and was no longer overgrown.

The obituary of Sarah Ruth Connally is included here because it says she was buried in the Beason Cemetery. Neither the Cochrans or I found a tombstone for her but we may have canvassed the cemetery before she died or before a stone was erected at her grave.

The Huntsville Times. May 28, 1976. Mrs. **Sarah Ruth Connally.**

Mrs. Sarah Ruth Connally, 61, of 3902 Sturbridge Drive, died Thursday at the Medical Center Hospital [no longer exists]. The funeral will be Saturday at 1:30 p.m. at the chapel of Spry Funeral Home.

Burial will be in Beason Cemetery, Norman Hooten and John Cunningham will officiate. Mrs. Connally was a native of Madison County and a member of Mastin Lake Church of Christ.

Survivors include her husband, Clyde H. Connally, a son, Johnny D. Connally of Ft. Smith, Ark; two daughters, Mrs. Mary Jo Jaco of Huntsville, Al. and Mrs. Tommie Berger of Atlanta; two brothers, Thomas A. Chandler of Gurley and Clifton Chandler of Chattanooga; and seven grandchildren.

Pallbearers will be Dan Austin Ellett, Bennie Lee Ellett, Roy Self, Howard South, Don Spring and Jim Roberts.

Myomy Salmons

Departed this life the 10th day of May, 1851 aged 34 years, 4 months and 10 days.

Myomy "Oney" Salmon, was the dau. of Allen and Margaret Christian, born in Madison Co., Al; she married Groves Salmon 15 June 1837 as his first wife.

His name is also written Samons, Sammons, etc., in various records.

Groves was a Southern sympathizer during the Civil War and applied to the Southern Claims Commission for reimbursement of property lost during the war. The Application stated his wife was "a raving maniac" [NOT Myomy] and died leaving him with a blind daughter and a baby son. Myomy was his first wife and the blind daughter and baby son were by a later wife. He married twice after her death.

Allen Christian, Myomy's father, is believed to have built the house on Champan Mountain, still standing, is on the National Register and known as the Chapman House.
