

The above "old land records" show that Richard Elliot (also often found as "Ellett") was the original purchaser in August of 1809 of the NW/4 of S22-T4-R1W. In 1839 he divested his interest in the land which contains the cemetery in favor of Archibald McDaniel. It is almost certain that Archibald McDaniel is in fact Archibald McDonnell, who appears quite often in the historical land transactions of the immediate area around the cemetery. A few of the McDonnell transactions are shown below in the "INDEX TO LANDS":
