

There are several other obvious graves, and some fieldstones and rock borders to mark the burial plots. However, there were no other inscribed tombstones found in the cemetery. The overviews of the features of the cemetery are provided below:

JORDAN CEMETERY, 45-1, Redstone Arsenal, Madison County, AL 12-16-02.
View from SW corner toward Mariner Road; double rock-covered grave in foreground.

A close-up photo of this area of the cemetery is shown below:
