The problem here is that this black Sam Moore was a farm laborer, not a landowner. Furthermore, he lived in Range 1 East, not 1 West. He would have been in no position to donate land for a cemetery during the memory or knowledge timeperiod of Charles Burns. The only other Sam or Samuel Moore in Madison County in 1880 that could donate land of the arsenal area was Samuel H. Moore, a 37 year old white man living in Huntsville, as shown below:
