

Jordan - Lanier Cemetery, Redstone Arsenal, Madison Co., AL, June, 2002.

William Lanier purchased as "assignee" from the U.S. Government on 30 Aug 1809 per Certificate # 348 the 160 acres of the SW/4 of S27-T4S-R1W. This is the legal land description of the location of the Jordan - Lanier Cemetery.

(One would think that the patriarch of the family would have the best stone.)
