

Jordan - Jacobs Cemetery, Redstone Arsenal, Madison Co., AL, June, 2002.

There are very few rectangular grave depressions in the center or on the east end of the cemetery, but it could hold many hundreds of graves, if full.

(This view is toward the east from the center of the cemetery.)

The Jordan – Jacobs Cemetery has only 7 grave markers to be seen above ground as of June, 2002. They are show below:
