Both this page (15-B of Enumeration District 45-10) and the next match (shown below, page 18-A of the same E. D.) list families along "Triana Pike" as it passed through land that became arsenal property. The surnames of the neighbors of the Lightford families found on these two pages include Jacobs, Moore, Love, Langford, Jordan, Lacy, and Mastin – all recognizable as those who lived on pre-arsenal lands. The age of the two Mary Lightfords is within a year of one another – ages 47 and 48. One Mary was the wife of James Lightford, and the other was the wife of Claudie Lightford. As of this writing, there is no known way to ascertain which is the one represented by the tombstone in the Fennil / Fennell Cemetery.
