The 1900 census record inserted below for the Andy Cowan family provides more details about them. Andy Cowan Sr. and his wife Bertha had been married for 22 years at the time of the 1900 census. Bertha had borne 10 children, but only 4 remained alive in 1900. Those four are listed in the census as part of their household, including Andy Cowan Jr. The other 6 children are probably buried in the family cemetery, as may be one or more of these last 4 by now.
