	Adeline	wife	F	B	40	un	Ala	

The complete page image is provided on the CD-ROM supplied to Army offices, but basically both Robert and Millie were shown as born of parents who were both born in Alabama. Both worked on a farm, with Robert's occupation listed as "Farmer". The William Horton living next door was probably a brother of Robert. Millie may well have "company" in the cemetery from both families, as well as from others of their 1920 neighbors.
