The above land records and indexes show that Samuel Hatton in was the first purchaser of the NE/4 of S11-T5-R1W and several adjacent quarters in other sections as well. John W. Looney had some of the adjoining land in the NW/4 of Section 12. In 1845 Samuel Hatton put the NE/4 of Section 11 in a Deed of Trust to Benjamin T. Moore, as Trustee. Several others (Langley, Ewing, Ragland, Jones, Brickell, and Spragins) were involved in transactions regarding the NE/4, until in 1870 the land was transferred from Elias C. & Anna Spragins to Samuel H. Moore. Samuel transferred the land in 1874 to James R. & Sallie K. Spragins, who in turn transferred it to Sarah (“Sallie”) A. Spragins in 1876. In 1886, Sarah Spragins sold the land to **John W. & A. J. Mayhall**, who also sold a portion of it in 1886 to the American Freeholder Land Mortgage Company. It was that company that referred to the parcel as “**part of the J. W. Mayhall place**” and initially sold the land to Powhatan Toney in 1904, as shown in the deeds and INDEX inserted earlier.
