

The census records for these names found in the 1952 notes provide some clues to the proximity of their residences to the cemeteries in the Pond Beat and Green Grove areas of Whitesburg Precinct / Beat 6. Those that could be found with Soundex searches on the Ancestry.com census files as of August of 2005 are shown below. The images were truncated to allow for expanded detail when inserted into these pages of a Word document, but it will still be advantageous to view the images at 200% on a computer, when using the CDs. Otherwise, use of a strong magnifying glass is recommended. The occupation shown on the truncated census pages for each head of household was “farmer”.
