

to the trustees for the establishment of a Methodist Episcopal Church in 1826, the location was specified in terms of rocks and post oaks, etc., with some references to surrounding landowners' property lines. [A digital photo of the deed for the church is given below. If the reader has difficulty perceiving the images of the words, remember to use the **VIEW** and **ZOOM** buttons to enlarge the display for readability of difficult characters. Keep in mind that the old style of writing and spelling was often quite different from today's practices, but there is nothing in the images inserted into this report that cannot be fully interpreted with accuracy.]
