Friends of MR. ISAAC FIELDS will be shocked to learn of his being drowned. He ran a ferry at this place...on the opposite side of the river he got off the ferry, got on his horse and started home. The supposition is the horse ran off the bridge and he fell in Long Pond, and drowned. MR. FIELDS was a prosperous farmer, a good citizen, highly respected, and a good friend to the poor and needy. His wife died last April. He leaves three children, two boys and one daughter. (Whitesburg notes.)
